SIR,

I have the honor to forward the accompanying application for invalid pension on behalf of Mr. Peter Wight, late Head Accountant, in this office.

2. He was first entertained on the 1st August 1844 and was removed from the effective list on the 17th Instant, on production of a Medical certificate declaring him to be permanently incapacitated for further work, his service extending over a period of 35 years. He had felt for sometime past that he was breaking down under the long continued strain of his onerous and responsible duties, till at last he found himself no longer equal to the performance of his work.

By

3. By his retirement the Government has lost the services of an old and faithful Public Servant. He so identified himself with his work that the untiring zeal, ability and devotion with which he discharged them called forth from the several officers under whom he served, expressions of the high opinion they entertained of him, as will be seen by the testimonials which fill the pages of his Service Book. It only remains for me to fully endorse them, and to recommend him to Government for the grant of the pension he has earned so well. The amount he is entitled to draw is Rupees (60-0-0) sixty, or a moiety of his salary, it being debitable in equal proportions to Port Fund and Marine.

His age is by his own statement 52 years and by appearance about 52. — I consider Mr. Peter Wright to be completely and permanently incapacitated for further service of any kind in the department to which he belongs in consequence of disease of lumbar vertebra; general debility, impaired vision and energy.

His incapacity does not appear to me to have been caused by irregular or intemperate habits.
