APPENDIX

A.

LETTER *from* A. PURVIS, ESQ., *Collector of the Godavery District, to the Board of Revenue, dated 17th December* 1859.

For the appointment of Deputy Collector in charge of a Treasury, I consider Mr. W. Freer at present Head Clerk in the English department of this Collectorate well qualified. He has filled the office since June 1854, having been previously Headwriter and Deputy Accountant, entering the public service in February 1851. He is in his 31st year and is of European extraction, his father being Barrack Sergeant at Vizagapatam. He has a very good knowledge of English and a fair colloquial knowledge of Telugu. He has made himself fully acquainted with the new system of accounts and has a perfect knowledge of all the details of Office and Treasury work both in the Collector's office and Taluqs. His moral character and habits are to the best of my knowledge unexceptionable. I should be well pleased were he nominated to the charge of the Treasury of this District, to which no officer has yet been appointed.

B.

EXTRACT *from letter from* A. PURVIS, ESQ., *Collector of the Godavery District, to the Board of Revenue, No.* 74 *of the 29th May* 1862.

2. Of Mr. Freer, whom I named as in my opinion very well qualified for the appointment of Deputy Collector in charge of a Treasury, or of the Salt and Sea Customs department, and who is now employed as an Inspector of Police in the Nellore District, I continue to hear, both from the Inspector General and other officers of the Force, the highest character, and I, therefore, repeat my recommendation in his favor with great confidence.

C.

EXTRACT *from letter from* A. PURVIS, ESQ., *Collector of the Godavery District, to the Board of Revenue, dated 9th February* 1863, *No.* 28.

2. I have in former reports named Mr. Freer, formerly Head English Accountant in this district, and now Inspector of Police of Nellore, as in my opinion very well qualified for the appointment of Deputy Collector in charge of a Treasury or of the Salt and Sea Customs departments. He continues, as I had an opportunity, when passing through the Nellore District not long since, of personally ascertaining, to be held in high estimation among the officers of the Force, and others well able to judge of his merits.

D.

EXTRACT *from letter from* J. W. B. DYKES, ESQ., *Collector in Nellore, to the Board of Revenue, dated 29th June* 1865, *No.* 151.

5. In January last year, I informed the Superintendent of Police that I wished to place Mr. Freer on the list of those whom I would recommend for the post of Deputy Collector, but by an oversight I omitted to send in the list itself.

6. And in now recommending Mr. Freer for the vacant post, I would beg the Board's permission to place on record that I so recommend Mr. Freer, no because I think less highly of those already recommended, but because I think his claims superior to theirs.

7. Long employed in the Collector's office, in the Godavery District, Mr. Freer gave up the post of Head Clerk there to enter the Police. He has been employed as an Inspector in the Police in this District for four years. He has risen to the highest class, and from the opportunities I have had of observing the mode in which he has discharged the difficult duties devolving on him in his present post, I have no hesitation in recommending him for the post under consideration, and trust that the recommendation may meet the approval of the Board.

E.

PROCEEDINGS *of the* MADRAS GOVERNMENT, *Judicial Department, 23rd June* 1865, No. 128.

Read the following letter from W. ROBINSON, ESQ., Inspector General of Police, dated Madras, 16th June 1865, No. 1,167.

I have the honor to request the permission of Government to disburse from the Reward Fund, 150 Rupees as a reward to Mr. Freer, Inspector of Police in Nellore.

2. He exerted himself with much ability and entire success in bringing to justice the Yerrakala gang, who robbed the Northern Mail at Rachalapad on the 6th October 1864. The gang was followed up and captured in Cuddapah, fully 100 miles away from the scene of the robbery.

3. Mr. Freer is one of the oldest Inspectors in the Force. He had served Government for some time previous to entering the Police in other Departments. He has uniformly maintained a high character for efficiency and success. He has acquired singularly intimate knowledge of the Yerrakala robber gangs of the District and his energy and sagacity have contributed in no small degree to the success with which these have been broken up, and are held in check throughout the District.

4. The Magistrate J. W. B. Dykes, Esq., supports the Superintendent's recommendation.

ORDER THEREON, *23rd June* 1865, *No.* 894.

The Governor sanctions the disbursement of Rupees (150) One Hundred and Fifty, as proposed by the Inspector General of Police, to Mr. Freer, Inspector of Police in Nellore, for his energetic and successful capture of the gang of thieves by whom the Mail was robbed at Rachalapad in October 1864.

PROCEEDINGS *of the* BOARD OF REVENUE, *dated 26th March* 1868.

Read the following letter from A. C. BOSWELL, ESQ., Acting Collector of Nellore, to the Secretary to the Board of Revenue, dated Camp at Ongole, 18th January 1868, No. 152.

* * * The Board are well aware of the very onerous duties of the Salt charge in this district with eleven stations scattered over a seaboard of 170 miles. Matters in this department require very careful looking into. Since coming here I have convicted one Salt Superintendent of fraud, and another is now on trial. Mr. Freer, during the time he acted as Deputy Collector, from his long experience was able to bring many irregularities to light which have been from time to time corrected, and I am truly sorry to lose his services.

2. * * * It is a dangerous experiment to send a man without experience to gain his first lessons in Salt, in a district like Nellore where the number of stations and the revenue are so large. I beg respectfully to urge upon the Board, solely in the interests of the Salt Revenue of the district, that it would be very desirable if they would move Government to reconsider this appointment, and if possible make some transfer. If it be possible to re-appoint Mr. Freer, I know of no one better fitted on every ground for the charge. He has had a large experience; has an excellent knowledge of the department; and is a strong, hale, active man with much energy. I have always found that whatever work he does he does thoroughly, and he is a man on whose integrity one can entirely rely.

---

1. Submitted for the consideration of Government.

* * * * *

3. They also desire to record their satisfaction with the intelligence and activity which have been displayed by Mr. Freer during the time he has acted as Deputy Collector.

G.

EXTRACT *from letter from* C. G. MASTER, ESQ., *Collector of Nellore, to the Board of Revenue, dated 6th June* 1870, *No.* 1,378.

5. Should the Board see fit to forward this application, I hope that they will at the same time point out the special need there is for a properly qualified Officer to be put in charge of the Salt Department in this District. The number of Salt-stations is large (12) and as they are scattered along a seaboard of 150 miles in length, the head of the department must be able to undergo considerable physical labour to make his supervision really felt. I should be thankful if the appointment could be given to Mr. W. Freer, an Inspector of Police in this district, who has already officiated in this post with credit to himself and who has been recommended, on more than one occasion, I believe, for the post of Deputy Collector.

Extract *from letter from* C. W. Reade, Esq., *Collector of South Arcot, to the Secretary to the Board of Revenue, dated 25th April* 1871, *No.* 114.

3. The Salt Deputy Collector is fully alive to the importance of insisting in improving the Salt at all the stations, and I have every confidence that under his energetic and active supervision, we shall shortly see a marked improvement in the character of the Salt Manufactured especially at Markanam and Chinnampet, where of late there has not been that care and interest shewn on the part of the Department, to which alone one must look to ensure a corresponding care and interest on the part of the manufacturing ryots.

Proceedings *of the* Board of Revenue, *dated 12th July* 1871.

Read letter from C. W. Reade, Esq., Collector of South Arcot, dated 26th April 1871, No. 121.

14. I believe I have now furnished all the information necessary to enable the Board to decide on what is best to be done; and as I am leaving the district and service, I shall not be misunderstood in recommending that Mr. Freer be permitted to retain his present appointment as Salt Deputy Collector. The important interests committed to his charge could not be in better hands. He is the most active and efficient officer I have seen in the department, and untiring energy and active supervision of all details, suggests that he should be continued at its head, and I am very sure that if left to him the several proposals advocated in his report will be ably and efficiently carried out, and with lasting advantage to the Revenue. I may add that the credit of initiating the improvements now recommended is entirely due to Mr. Freer. Consequently it would appear only fair that to him should be entrusted the duty of executing to its completion all that is to be done, and I cannot too strongly urge on the Board the importance, on public grounds, of retaining Mr. Freer in his present post until the work has been fully completed.

13. The Board are glad to have such high testimony borne by Mr. Reade as to efficiency and zeal of Mr. Freer the Salt Deputy Collector.

K.

Extract *from letter from* J. H. Garstin, Esq., *Collector of South Arcot, dated 3rd October* 1871, *No.* 329.

Having heard that a vacancy has been created among the Deputy Collectors by the decease of ——, I have the honor to request that the Board will be pleased to bring to the favorable notice of Government, the claims of my Salt Deputy Collector to be confirmed in the Acting post which he now fills in this District. The character and abilities of Mr. Freer have, I believe, already been prominently brought to the notice of the Board and Government, by the Superior Officers of the Revenue and Police Departments, under whom he has served, and the Board will remember that my predecessor in a letter addressed to them on the eve of his departure from the District, strongly recommended that Mr. Freer should be retained in his present appointment in South Arcot, and went on to say that he is the most active and efficient officer he has seen in the department and his untiring energy and active supervision of all details suggest that he should be continued at its head.

3. I think it but due to Mr. Freer to add my own testimony to the zeal and energy with which he has devoted himself to the duties devolving upon him since I assumed charge of the District, and I shall be glad if the Board will support my commendation that Mr. Freer shall be confirmed as Deputy Collector in charge of the Salt Department of this District.

L.

I have much pleasure in certifying that I have known Mr. W. Freer, Deputy Collector, Salt Department, South Arcot, since July 1872, and that I believe him to be a perfectly sober individual. I was in camp with him for about ten days in July 1872, about two months in 1873, one month in 1874 and lived for six months within a few yards of him at Porto Novo in 1876. I had opportunities of seeing him at all times as he was my guide and special Assistant at the Salt works. I never once saw him the worse for liquor, on the contrary I conceived the opinion of him that he was a very sober man.

Dear Sir,

Ever since our arrival here myself and family were not well, hence we did not write to you upon our arrival. We beg you to accept our heart-felt thanks for all your kind favours during our short stay in Pondicherry. We did not like to disturb your sound sleep when we left for Madras at 1-30 A. M. We beg you will kindly pardon this. I and my family wish you and your family are all doing well.

Believe me yours sincerely,

My Dear Freer,

I have just got your letter informing me of your reduction, I am very sorry indeed for you and I hope you will be able to show that the complaint made against you is not true.

I met you some three or four times in the Pondicherry Bungalow while I was in charge of the Tindevanum Division, and on no time did I know you to misbehave yourself or to act in any way but what I considered proper, nor have I ever heard it said that you were in the habit of doing so or ever did so.

Yours very sincerely,

CERTIFICATE AND REPORT OF ACCOUNTANT GENERAL.

Certified that (~~subject to the remarks below recorded~~) qualifying service in {~~inferior~~ superior} grades has been duly proved for 27 years 1 months and 25 days; and that an Invalid {pension ~~gratuity~~} not exceeding Rs. 128-3-7 per mensem equal to ½ average emoluments is admissible under Section 61 & 63 (c) of the Civil Pension Code. The calculations have been duly verifd. It will be seen from the remarks of the Salt Commissioner opposite to No 1 on the 3rd Page of the application and from the Proceedings in connection with the applicant's degradation from the post of Deputy Collector on Pay of Rs 350 -- to that of Salt Superintendent on Rs 60 -- per mensem, that his character and past conduct were not thoroughly satisfactory. It rests therefore with Government to make such reduction in the amount of any pension that may be sanctioned to him as it may deem proper under Section 22 of the Code. The attention of Government is also requested to para 2 of the Salt Commissioner's reply to this Office Memo: No A.S.K./43 dated the 21st Ultimo & herewith transmitted.

It will be seen further from the Medical Certificate furnished by the applicant in support of his application for Pension, that it was signed by an Officer in the Presidency instead of by the Surgeon of the District in which Mr Freer was last employed. But correspondence on the subject was considered unnecessary as it is signed by another Surgeon and countersigned also by the Surgeon General Indian Medical Department.
