The Commissioner of Salt Revenue

Sir

Adverting to your docket No 9200 of the 15th Instant and the accountant Generals no. 4 Da/541 of the 10 Idem, requesting me to furnish certain information in connection with the application for gratuity on behalf of O. Venkatasawmi Naick late peon at the Madras Salt Depôt: I have the honor to state in reference to para 1 of the accountant Generals letter under reply that the establishment in which the applicant was employed from 1st June 1854 to 31st December 1863 was one which fell under the provision of Rule 1 Section 27 of the Civil Pension Code.

2. Prior to the introduction of the

Honorable Mr. Pelly's Scale there were two classes of temporary peons employed at the Madras Depôt exclusive of the permanent ones, one holding substantive appointment continuously throughout the year and the other entertained only during the salt manufacturing season, in the way of Salt Guards and dispensed with at the close of the said season.

2. The applicant in question belonged to the former class of men and held his appointment without any break in his service from 1st June 1854 up to the date of his retirement. It is therefore presumed that he was made permanent when Mr. Pelly's scale came into operation on the 1st January 1864, Vide copy of the Boards Miscellaneous Circular No CV dated 14 December 1863, herein enclosed.

3. If the applicant was confirmed in his appointment on the 1st January 1864 with retrospective effect from 1st June 1854 there is no record forthcoming in this office to shew, but from an affidavit taken from the peon and corroborative evidence obtained from another person that held a similar appointment during the same period as the applicant, it will be seen that the latter was under the impression that his services from 1st June 1854 to 31st December 1863 would qualify fo pension. which opinion I beg to upho under the circumstances of the case.

4. In reply to para 2 of the letter une reply, I beg to state that I consider the applicant is completely and permanently incapacitated for further active service on account of old age (60) and infirmit (nearly blind) and therefore no formal Medical certificate to establish his incapacity need be submitted with the application for gratuity on behalf of the individual in question, as per provision contained in rule 3 under Section 65 of the Civil Pension Code.

Translation of a Kyfiyet given by Venkatasami Naik late peon at the Madras Depôt.

I was entertained at the Madras Salt Depôt as a temporary peon on the 1st June 1854 on a salary of Rupees 7 per mensem. Although I continued to be so until Mr. Pelly's Scale, I held my appointment continuously unlike other temporary peons who were entertained only for the manufacturing Season and dispensed with after that time. As my service is a continuous one I was under the impression that it would count towards pensionable Service. Santaji will bear out my Statement. I got an appointment in Mr. Pelly's Scale and I continued in Service without a break till retirement.

I know C Venkatasawmi Naidu, late Peon, Madras Salt Depôt who is to be pensioned. I am doing duty as a peon in this Cotaur from about the year 1848. The above said C Venkatasawmi Naidoo was entertained in the year 1854 as a temporary Peon in this Cotaur. Though a temporary Peon his services were never dispensed with. He held his appointment continuously. I was of opinion that his temporary service too will count towards pension.

Read the following extract from the Proceedings of the Government of India in the Financial Department, dated 15th October 1863 No. 5139 on the letter from the Secretary to the Government of Fort Saint George, dated 29th April 1863 No. 743, requesting permission for the introduction of the raised Salt Establishments of this Presidency from the 1st May 1863:-

No. 3847, Home Department Fort William the 17th June 1863.

Forwarded to the Financial Department for consideration and orders and its return requested.

Financial Department Fort William
the 15th October 1863.

Resolution

1. The Honorable the President in Council observes that the Subject of the revision of the Salt Establishments in Madras has been under review by the Madras Government for Several years, and that the final plan now Submitted for Sanction Seems to have had the careful consideration of the most able officers of that Government, besides being Subjected to a careful revision by its Secretary.

2. Under the circumstances His Honor in Council is pleased to Sanction the scheme in its entirety, with the exception of the charge of 10 per cent for the Supervision of the Preventive Force which being merely a transaction in account between the Police and Salt Departments is disallowed with reference to the Orders passed in this Department, on the 31st July 1863.

3. The amount assigned in the Madras Budget under B I. 4. Salt having been reduced to Rs 14,54,266 as shown in the margin under the Orders of 31st July 1863 above referred to, no further deduction appears at present to be necessary; but as the arrangements now sanctioned which have been provided for in the Budget as a charge from the beginning of the year, have not been carried out from that date, any Savings which have accrued thereby should be duly accounted for when the Regular Estimate comes under Consideration.
