Memo No. 1005 dated 29 June 876.

The Chief Engineer finds it distinctly proved that Overseer Chinnaswamy Pillai while being relieved of charge of the Dindigul Sub Division paid away Cheques to the amount of Rs 757 and Rs 140 for works on account of which he had the District Engineers distinct and repeated orders to make no payments. He appears also to have disregarded the District Engineers personal instructions regarding expenditure of the Maintenance allowances of certain Roads and the manner in which other roads should be repaired on estimate and he has defended himself against these accusations by positive denials which have been proved to be so many lies.

But for the District Engineers intercession on his behalf the Chief Engineer would most assuredly have dismissed him; as he will do the next time he is proved to have disobeyed orders and lied. As it is he may be reemployed in the Madura District as an Overseer 3rd Grade

The

The Chief Engineer must remark that this matter would have been disposed of long ago had his order of the 29th been attended to by the District Engineer at once. Officers who expect to be implicitly obeyed by their subordinates, should set them an example of prompt obedience to instructions.
