In the District Munsif's Court of Sivagunga -

20th February 1879

Affidavit given by Gopalakrishnayan 3rd Gumasta of the said Court.

I was appointed permanently on the 3rd June 1840 as 3rd Gumastar in the said Court on a salary of Rupees 3 and continued to be such up to 18th February 1844; then I was permanently appointed as 6th on 6 Rupees on the 19th idem. On the same day I was promoted to the permanent 5th Gumastas place on Rupees 7; which I held up to 31st December 1844 and was doing duty in the Madura Civil Court.

I swear that on the 1st January 1845 the 5th Gumastaship was converted into a shroffship and that I was sent back to Sivagunga Munsif's Court where I discharged my duties.

Some of my contemporaneous servants have died and some have been pensioned.

The Takids, certificates &ca that were given to me during the said periods have been destroyed by fire.

From the ACCOUNTANT-GENERAL, MADRAS,

To the District Judge of Madura

Vide ~~your~~ his Application for Pension / ~~Gratuity~~ on behalf of M. Gópálakrishnayyar late 3rd Gumashta Shivagunga Munsifs Court and ~~your~~ his reply to this Office Objection Memo, No. a. D. K. / 210 dated 26th May 1879.

The undersigned has the honor to return the applicant's Service Book in order that the correct date of the final termination of his service may be noted. The Entry 20th February 1879 appears to be incorrect, he having been in Service till the 31st March 1879. The document should be returned accompanied by a Last Pay Certificate.

The District Judge is requested to communicate to this Office his opinion as to whether the service claimed by the applicant which was not verified by means of Office records, can be admitted or not vide Section 84 Rule 6 as recently revised.

The application is returned in order that the correct date may be noted opposite to No: 18 on the 1st page, the date now shown being prior to that of the applicant's retirement from Service.

The applicant having been originally recommended for a Superannuation Pension, the District Judge is requested to certify to his incapacity for further Service as required.

required by section 65 rule 3 of the Civil Pension Code 4th Edition but should compensation Pension be now proposed as will be seen from his reply the requirements of Rules 1 and 6 to Section 59 should be fulfilled.

Memo

The Service Book and the application are returned with the dates corrected.

2. Last Pay Certificate is enclosed.

3. It is impossible to verify the applicant's service before 1st January 1845, nor has he been able to support it by any certificates or other evidence except his own affidavit. I am of opinion however that the affidavit ought to be accepted as he was undoubtedly in the service at the beginning of 1845, his character is good, and it is not his fault that none of the records are now forthcoming. Even his subsequent service however, about which there is no doubt, exceeds 15 years and entitles him to one-third pension.

4. The applicant is recommended for a Compensation Pension as he was one of those selected to retire in consequence of the recent revision of Establishments. See G. O. 11 February 1879, No 265, para 3. He is 59 years old and in my opinion quite unfit for further service. It was quite impossible for me to find any employment for him as the number of Clerks was reduced by 21. There was a nearly similar reduction in other Districts also so that he could not be employed elsewhere, even if his age permitted it.
