Certified that should Government be pleased to treat the period (9th November 1876) as leave without allowances under Rule 6, Section 52 of the Civil Pension Code qualifying service in Superior grades would amount to 12 (Twelve) Years, 10 (Ten) Months and 12 (Twelve) Days and that a Compensation Pension of Rupees 40. (Forty) per mensem equal to $\frac{12}{15}$ of his average emoluments and a bonus of Rupees 1800. (One thousand and eight hundred) equal to 12 months' pay of substantive rank will be admissible under the Resolution of the Government of India (Finance & Commerce) No. 2049 dated 31st July 1879. The calculations have been duly verified.

No note has been taken of the very unsatisfactory remarks of Supervisor. Conductor Power made about the applicant in his Service book, as in the opinion of the District Engineer, the applicant closed himself to a great extent of the charges of misconduct preferred against him by Conductor Power.

The applicant's other testimonials recorded in his Service book are of a

satisfactory nature.

Overseer (in 1860) he has been (excepting a short period of 2 years) employed in my Range. I have much pleasure in testifying to his general good character for sobriety, zealousness, intelligence and honesty. For some years past Mr. O'Leary has been entrusted with the expenditure of over Rs. 20,000 a year. most of his works are done expeditiously and in a workmanlike manner. but from his having charge of Ramandooz, a place where neither skilled nor unskilled labor can be obtained he has sometimes been rather hardly judged upon. But I should regret leaving the Service without testifying to my most implicit confidence in him, and trust that after his long service this recommendation will be of some benefit to him - 10th Sept. 1870. / Signed W. I have found him supine careless, untrustworthy & provided of a great deal of low cunning. I have had continually to take him to task for the lax & loose manner in which he performed his duties.
