to the Controller of Public Works Accounts Bangalore

Sir,

With reference to the enclosed in original from Accountant Teroomul Row I have to express my regret at his wishing to leave the Division from the great assistance he has been to me and the intelligent and praiseworthy manner in which he has conducted his duties. I should not wish to have a better man, for, he is overcareful over careful of his records and can furnish any information at a moment. Under the circumstances however I must recommend his request being acceded to and somebody sent out to relieve him which I request may be done before August's accounts are prepared to enable the party relieving to obtain a fair insight into the proceedings.— I have &c

During the period from 20 March/71 to 22d April 1872 when I had charge of the Paper Currency Dept on its transfer to this Office I was always perfectly satisfied with C Teroomulrow's performance of his duties as Cashier of the Exchange Dept and I consider he has sustained the high character given of him by Colonel Carpendale Surgeon Bellew and Surgeon Graham

He left the Dept before I again assumed charge of it in May last and as he has now been permanently provided for in another Office I give him this Certificate of my estimate of his worth. (Sigd) W Donald Offg Asst Acctt Gl
