Will not count towards pension
as service rendered on temporary
Establishment into these Sections 18 A and
27 of the Civil Pension Code.

Verified from the Audit/Registers of
this Office and found correct. The appli-
cant was granted a local allowance
of Rs 20 while employed on the Kilgiris,
and this has been erroneously noted as
pay in the Service Book, but has been
omitted from the calculations here.

The applicants resignation under the terms of the Resolution of the Government of India in the Department of Finance and Commerce of 4th 2079 dated 31st July 1879 has been accepted by Government in G. O. P. W. Department of 2nd 486 W dated 2nd March 1880.

The entries in the Service Books and the pension application are incorrect as regards dates ^{for} and those of the former have not been in many cases attested by the Head of Office. But ^{as the} whole period of the applicants pensionable Service has been duly verified from the Audit registers of this office, further correspondence on the subject was considered unnecessary as only delaying the submission of the applicants papers for the orders of Government.
