in Charge of the 2nd Range
during which period he has
generally given satisfaction,
the quality of his work
was always fair and his
measurements invariably
correct. He frames estimates
correctly and also understands

Mr. Watkins has served under me
for about 10 months in charge of the
Khenkara Sub-division. The subd. is a
very heavy one and much work has been
done in a short time. Mr. Watkins
has been attentive to his work and done
what he can, but he seems somewhat
deficient in 'go' and self-reliance.
