I cannot conclude this report without acknowledging the services of Overseer Manikam Pillay during the year from 11th August to 11th October /74 he had charge of this Range as I had to leave on account of sickness. the duties of the Range were ably and energetically carried out by him and it was with regret I found that he could draw no deputation allowance for the period he was in charge

S. Manikam Pillay has served under me for the last 3 years and 3 months and has during that time given me great satisfaction in the execution of his duties. I never found his work bad nor his measurements out; he was always obedient to orders and did his best to please. His long experience enables him to take up the most troublesome bit of work and carry it out most satisfactorily and as an instance I may mention the Karaipolanand Anicut at Thottiam Chinna Vocal Head carried out in my time. There are as far as my experience goes few Overseers in the Department who could have carried out that work in a single season or at all. The Iyaur Girder Bridge is another work that is much to his credit. I have on several occasions recommended Manikam Pillay for promotion and I
