A reference was however made to the Executive Engineer North Arcot on the subject, and that officer stated in reply that the applicant's service for the period in question cannot be verified from want of records. Vide his letter No 5144 dated 23 rd March 1880 hereunder. The applicant's name appears in the registers of 1863. 64 of this office and as the admission or rejection of this period will not in any way affect his pension further correspondence on the subject was considered unnecessary as only delaying the submission of the applicant's papers for the orders of Government. The applicant, 42, and other documents prescribed in rule 5, Section 85 of the Civil Pension Code have not been consequently called for. The period has been closed as non-qualifying.

Certificate and Report of Examiner, Public Works Accounts.

No. 98 ^{A.}/_{B.}

Certified that qualifying service in superior grades has been duly proved for eighteen years, four months and twenty one days and that a compensation pension of Rs 95-13-4 per mensem (ninety five annas thirteen and five far) equal to $\frac{22}{60}$ of his average emoluments viz Rupees 250, and a bonus of Rupees 300 equal to 12 months' pay of substantive rank are admissible under the resolution of the Government of India in the department of Finance and Commerce 192079 dated 3rd July 1879. The calculations have been duly verified. It has been decided by the Chief Engineer, Public Works Department that the resignation of the applicant should have effect from the 9th December 1879 and not 31st Idem as noted in the service book and the pension application, the pension recommended is therefore payable to the applicant from that date.

to be considered, as Sick leave, I earnestly request that
 we will kindly consent to privilege leave, which I am
 entitled to, and allow me the Benefit of my full salary
 being passed to me up to 31st December, 1879, which will be
 great relief and assistance in my present retired life.

Certain
 he should

 pay
 20.2.8

When I went to the Public Office at Basins two
 weeks to ascertain my salary in question, and about
 which I personally explained to Mr. Altman in the first
 the legality of my claim for it, I was informed
 by an officer, that my full salary for the period from
 31st December last, was drawn in the first month's
 extract giving Credit in it, for the moiety already passed,
 was disallowed, by the Examiners of Public Works, because
 it was not done, on not being furnished
 with full particulars and actual State of my Case.

From the above explanation and my Sick leave
 was granted to me by the Superintending Engineer, when
 applied for it, but was virtually cancelled by the above Officer,
 retired from the Service, and that my final relief Commenced
 and accepted from the 9th December only, it will be
 clearly that I am rightly entitled for my full Substan-
 tial salary for the period for which only a moiety was
 passed under a presumed Supposition, and trust that
 you will kindly be pleased to arrange and get my full
 salary being passed and paid to me for the period in-
 question, and will be most grateful for it.

For which act of kindness, I shall ever highly feel
 obliged to you, and am, Sir, your obedient servant.
