With reference to your letter No 573 D.E. 2d. dated 6th ultimo I have the honour to retransmit the Pension Application and Service Book of Overseer Joacquim. By the enclosed G.O. No* 802 dated 15th March 1867 sanction was given to the appointment of Mr Joacquim as a Taluq Overseer, and by G.O. No* 1253 of 27th April 1867 his appointment is approved, also the temporary arrangement of his being employed as a Surveyor on Rs 150. He served in this latter capacity from the 5th April to 12th June 1867: but was during that time permanently on the strength of the P.W. Department.

*To be returned

2. A Copy of G.O. No* 478 of 11th May 1866 with an original letter dated 22d December 1869 from Mr Joacquim are enclosed. These

explain Mr. Joacquim's employment in the Marine Department and account for the period of transit from the Marine Office at Madras to join the P. W. Dept.

3 As regards Mr. Joacquim's having been absent without leave from the 15th to 22nd November 1869; the enclosed original letter dated 10th inst. shews that his pay was first deducted, as for absence without leave; but that on production of a Medical Certificate his pay was given to him afterwards; and therefore the period of absence is treated as sick leave

To the Officer in charge
Jeypur Sub Division

Sir,

With reference to the Division Officer's Docket No 3397 dated the 2nd instant, I beg to inform you that I was taken sick suddenly on the 15th November 1869 and I was obliged to leave my station immediately to Jeypur for medical treatment. Before leaving I wrote to the Officer in charge of the 1st Range in Kishta and asked him for one months privilege leave. While I was in Guntur under medical treatment I received an order from the Range Officer to obtain and forward medical certificate from the Civil Surgeon. I got one and sent about the 22d November and remained in Guntur till the 3d December. On receiving my salary for November and December I found it was for from 1st to the 15th and from 23d to 30th November; and from 5th to 31st December 1869. I wrote about this and told the Officer that I was under medical

treatment from the 16 November to 3d December - the other two days I travelled - The Officer directed me to procure a medical certificate to that effect. I did so and received my salary for all the days I was absent from duty.

I hope this explanation would be sufficient.

Gudur Sub Division

Sir,

With reference to the endorsement No 2300 on the Superintending Engineer's No 3805, I beg to inform you that I have been appointed Lamp Overseer in the D.P.W. while I was employed in the Marine Department as Deputy Manager about the end of March 1867. Government providing with a steamer passage from Madras to Masulipatam I embarked on the 2d, arrived in Masulipatam on the 3d, and reported myself to Colonel Winscom then the Superintending Engineer 2d Division. From this date I believe I received my salary but I was sent as a Surveyor, as a temporary measure, to Dondapaud, and returned to Duggiralla about-the beginning of June 1867, and assumed my duties as Overseer.

As I was sent direct from the Marine Office to the D.P.W. I consider it as a mere transfer from one to another Department of Government service without break.

When I took sick on the 15th November 1869, I left, Tidal Lock, in Nizampatam, my Head Quarters to Guntur for medical treatment, reporting the circumstances of my sudden departure to the Officer in Charge of 1st or Repalli Range, and asked for privilege leave, but that Officer wanted a Medical certificate, which I forwarded to him about the 22d November. On my return to Head Quarters, I received salary from 1st to 15 & from 23d to 30 November. The Officer informing me unless I produced Medical Certificate to the effect that I had been under medical treatment all the time I was absent from duty I will be considered to have been absent without leave and salary will not be paid, I obtained the Medical Certificate for the full term and received salary for all the days I was absent from duty.

I herewith enclose Government Proceedings. No 802 & 1253. in original with your 3 enclosures.

I remain
Sir
Your most obedient servant
