candidate on the 25 July 1866 and was transferred to the Petty Establishment as an Overseer Coimbatore Central Jail Works.

That the applicant did not secure a lien on his permanent appointment of Accountant [illegible] Range is evident from the fact that he was transferred to the Petty Establishment and his subsequent employment under the Calicut Municipality for 3 years strengthens the above inference. The entries in the Audit Registers of this Office have not been clearly recorded in this respect, and it is therefore impossible to definitely state whether the Applicant did or did not secure a lien on his substantive appointment, but from the fact of the Applicant having been employed in acting and temporary appointments, and for so long a period as 5 years it may fairly be inferred he did not secure such a lien. This conclusion is further strengthened by the fact that the Applicant on the termination of his appointment as Overseer Calicut Municipality remained out of employ for over 3 months.

Proceedings of the Madras Government. Public Works Department, 17th March 1873.

No. 418. Read the following letter from the District Engineer, Vizagapatam, to the Secretary to Government, Public Works Department, dated Camp at Salur, 20th February 1873, No. 435:—

I HAVE the honour to request you will be good enough to obtain the sanction of Government to the following establishment for the Special Assistant Engineer employed on the Jeypore Ghaut works:—

1 Overseer, at Rupees 80 per month.
1 Writer and Accountant, at Rupees 30.
4 Lascars, at 8 Rupees.

1. Work is about to commence in a new and difficult piece of country, where no skilled workmen of any description are to be had, and where a system of free labour has yet to be introduced. Owing to the climate being notoriously unhealthy for a considerable portion of the year, the natives of the low country have the greatest dread of it, and special advantages in pay and position must be offered to induce competent persons to accept employment there.

3. Some two years since when Government, at the request of the Agent, directed the Superintending Engineer to send a man to Jeypore for employment as Overseer under the Assistant Agent, it was with difficulty that a person was found willing to undertake the duty at a salary of Rupees 150.

4. Mr. Nordmann suggests, as the fittest person for the post of Overseer on the ghaut, N. Manickavasagam Pillay, now an Acting Overseer in the Coimbatore District, who has been employed for several years past in Wynaad and on the Collegal Hills, and understands ghaut work.

5. Manickavasagam was appointed an Acting Overseer in 1863-64, and was confirmed as Overseer by Government in 1865-66. Owing to his health failing in Wynaad he accepted the post of Overseer to the Calicut Municipality, and has been unable to recover his footing in the department owing to the stringent rules subsequently introduced regarding the entertainment of Overseers.

6. It is understood that this man who is specially qualified to assist Mr. Nordmann on the ghaut works, would be willing to go to Jeypore if Government will make an exception of his case, and give him a permanent post in the department without passing the usual examination test.

7. I send herewith Mr. Nordmann's letter, and beg to recommend most strongly that his proposal for the employment of N. Manickavasagam Pillay as Ghaut Overseer may be sanctioned.

From K. F. Nordmann, Esq., Assistant Engineer, on special duty, Jeypore Hill Roads, to the District Engineer, Vizagapatam, dated Camp at Vizianagram, 1st February 1873, No. 4.

I HAVE the honour to request that you will be good enough to apply to Government to transfer the services of Acting Overseer N. Manickavasagam Pillay from the Coimbatore District to the Jeypore Ghaut works, and to confirm him at the same time as an Overseer in the department.

2. The man has been employed under me for several years past, both in Wynaad and on the Collegal Hills, as well as in the plains, and understands ghaut work. But he would probably be unwilling to face the Jeypore country in a mere acting capacity, in which he is liable to be thrown out of employ at any time. It is therefore that I would suggest his being confirmed, conditionally however on his joining the Jeypore Ghaut works at once.

Proceedings of the Madras Government, Public Works Department,
17th March 1873.

3. The regular Overseer's examination can in the case of this man be dispensed with without any infringement of the rules, as Manickavasagam Pillay was appointed Acting Overseer in 1863-64 and confirmed in his appintment by Government in 1865-66, (I am unable to state the dates exactly without records.) But owing to his health failing in Wynaad, and as a means of furthering his prospects, he was transferred to the Calicut Municipality, whereby however he lost his footing in the department, which he was eventually unable to regain owing to the stringent rules then introduced about examinations. It is not likely that this man can now pass the prescribed examination, but from my own prolonged knowledge of him, this will form no bar to his usefulness as a practical Overseer, especially on the kind of work which I am about to undertake.

No. 419.

ORDER THEREON, 17th March 1873, No. 838.

ESTABLISHMENT, No. 51.

An exception will be made in the case of Manickavasagam Pillay, and the District Engineer, Vizagapatam, will be permitted to entertain him on the permanent establishment in the 3rd class if the number allotted for his district has not already been filled up.—See G. O., No. 467, of 13th February 1873.

2. Mr. Nordmann can entertain the establishment of an officer employed on special duty, namely :—

From E. J. Sinkinson Esqre Offg. Under Secty. to the Government of India, Financial Department to the Chief Secretary to Government, dated Simla 31st October 1877 - No. 4105.

I am directed to acknowledge the receipt in the Public Works Department of your letter No. 507 dated 19th Septr 1877, and enclosures, regarding the claims of members of the Imperial Petty Establishment of the Public Works Department to pension, under the Covenanted Service Rules.

2. With your letter in the Pension Department No. 84 dated 31st January 1876, admitting Members of the Imperial Petty Establishment of that Department to the benefit of pensions under the provisions of the Civil Pension Code; and in my letter No. 2260, dated 24th April 1876 -

1876, the Government of India enquired whether the Government of Madras desired to make a change in the rules or merely to explain existing rules. You now state in reply that no change in the provisions of the Civil Pension Code was solicited. The Government of India understand therefore that they are not required to pass any orders on your letter No. 84 of the 31st January 1876, and as it appears from the paper forwarded with your letter under reply that the Petty Establishments of the Public Works Department are on a temporary footing, and the Government of Madras are not at present in a position to settle the Constitution of the Lower Subordinate Establishment of the Department, it is presumed that the proceedings of the Government of Madras in the Public Works Department of the

14th January 1876, referred to above, should be considered as cancelled.

Copy forwarded to the Public Works Department, with reference to its endorsement No. 1511 E. G. dated 12th October 1877.

Order thereon 19th November 1877 No. 3631

Communicated to the Public Works Department, with reference to the G. O.s in that Department dated 14th January 1876 No. 70 and 5th June 1876 No. 1463.
