CERTIFICATE

CERTIFIED that I A. J. Sturmer have carefully examined Runga Pillai, clerk, son of Suckara Pillai, in the Salt Department His age is, by his own statement, fifty five years, and, by appearance, about 60 years. I consider him Runga Pillai to be completely and permanently incapacitated for further service of any kind or in the Department to which he belongs, in consequence of General Debility. His incapacity does not appear to me to have been caused by irregular or intemperate habits.

Heard letter No. A 1735 of the
Personal Assistant to the Commissioner

states that an affidavit should be taken
from me regarding the remark made in
Column 8 of my service register that the
acquittance rolls in which my name was
entered from March 1850 to February 1852
are not forthcoming. I depose as follows:-

I was first appointed in the
Salt Department as a Nevisinda of
Attipet Division on the 16th of February
1848 and was holding it till 31st July
1858 when I was nominated as a tempo-

during

during the whole of the intervening period of about 10 years. During this period I was neither transferred to any other post of the said Division nor was I posted to any other Division. There was no increase or decrease on any account in the Salary I was drawing; nor was any decrease or break in my service on account of suspension or dismissal. I herewith file the takids given to me at the times when I received the said two appointments as a proof of my having held them Continuously.

During the whole period of my service I have not taken leave of any kind.

Why in the Annual Returns on record in the Office of the Accountant General for the years from 1848 to 1853 neither the appointment of Nirsunda on Rupees 10-8-0 a month nor the name of the applicant is shewn in the Establishment of the Attiput Salt Division of the Chinglepet District.

Whether the applicant on the several occasions noted in the margin was deputed on the understanding that when the duty ceased he would revert to his substantive appointment as Nirsunda of Attiput Salt Division

On what grounds the applicant's service from 16th February 1848 to 10 May 1863 has been reckoned as qualifying, since he appears to have been degraded on the 11 May 1863 to an inferior appointment on a Temporary Establishment on account of overestimating the certain quantity of salt. Attention is drawn to section 66 of the Civil Pension Code.

Please forward to this Office a copy

Sir,

With reference to your letter No. 2449 of the 2nd ultimo enclosing therein copy of the × letter from the Accountant General, I have the honor to forward herewith necessary information on all the points therein referred to.

× dated 29th March 1879. No. ADK/109

2. Referring to query No. 1 in the Accountant General's letter under reply, I have the honor to state that I am unable to ascertain from the records of this office, "why in the annual returns on record in the office of the Accountant General for the years from 1848 to 1853 neither the appointment of Nevisinda on Rs 10-8-0 a month nor the name of the applicant is shown in the Establishment of the Attiput Salt Division of the Chingleput District;" but, that he was employed as such, is verified by the Treasury Deputy Collector, Chingleput District

District

District.

Adverting to para 2 of the above letter, I beg to submit that as the applicant reverted to his substantive appointment as Nevisinda of Attipet Salt Division, we must take it for granted that he on the several occasions noted in the margin x was deputed on such understanding.

x Temporary Dy: Brickbar, Madras Salt Kottaw from 1st to 15th August 1858, Pay Rs 20 a month.
Do - of Attipet from 23rd July to 19th December, 1859 Do.
Deputy Nevisinda Wojalur from 11th May to 31st December, 1863 on Pay Rs 8-12-0.

4. As regards para 3 of the letter under reply, I regret very much to state that the provisions of Section 66 of the Civil Pension Code have been overlooked in this office and that the order under which the degradation therein referred to was effected, is not forthcoming in the records of this office.

5. As I found Runga Pillay quite unfit for his post, I directed him to appear before the Collector with a view to his being pensioned if he agreed with my estimate of the man; the Collector was on tour at the time, conducting the Jamabundy, which necessarily delayed the reference and it was not until the Salt Commissioner assumed charge of the Department that the reference was finally disposed of; hence the delay.

6. I am given to understand from the verified service list (herewith sent) that Runga Pillay has not had any kind of leave other than casual during the whole period of his service, to which effect an entry has been made in the applicant's Service Register which is herewith returned.

7. The reason of termination of his service has also been inserted in the Service book above referred to, as requested in the concluding part of the Accountant General's letter under reply.

The humble Petition of
T. Runga Pillay late Clerk in
the Athespadoo Salt Division,
Ponnery Talook, Chingleput Dist.

Most Respectfully Sheweth,

That with profound respect and humble submission, Your Petitioner begs leave to bring the following distressing circumstances to your honor's benevolent consideration, humbly trusting that he may be excused for thus trespassing in your honor's precious hours.—

2. That Your Petitioner having served with great attention and diligence as a Clerk in the Salt Department at Athespadoo for a period of 30 years and 7 months, E. G. Ricketts Esquire Salt Deputy Collector, Madras, had been pleased to recommend him to Government in October 1878 for half pension, but Your Petitioner now heard that the Accountant General who verified his services has discovered in his records that out of the whole period of Your Petitioner's services, 5 years (the period he had been in the Rassoom service) should be deducted as temporary, and that in communication with the Collector of Chingleput recommend

for

for one third pension.——

3. That your Petitioner had uninterruptedly been in the permanent establishment of the Government service on a salary of Rs. 10/2 per month from 16th February 1848, and was not hitherto aware of any portion of his services being temporary as expressed by the Accountant General, but as he heard now that only three months services are required to entitle him to half pension, your Petitioner most humbly prays that your honor will be graciously and charitably pleased to have compassion on him and his poor large family solely dependant on him for support, and be so munificent as to reinstate him in his Post for a period of three months only or to grant him half pension in consideration of his long and faithful services of 30 years and 7 months including Rusoom services. For which act of kindness and charity your Petitioner as in duty bound shall ever pray.

T. Runga Pillay

16th March 1880

States that in consideration of his long service of 30 years & 7 months the Salt Dy. Collector recommended the Petr. to Govt. in Act 178 for half pension, but that the Accountant General deducted therefrom a period of 6 years (during which Petr. had been in the Russian Service) as temporary, and recommended him to only one-third pension; but that he learns that he has to serve only 3 months more to entitle him to half pension.

Prays, therefore, that he may be reinstated in his former post & allowed to Continue in it for only three months, or be granted a half pension in consideration of his said long service.

CERTIFICATE AND REPORT OF ACCOUNTANT GENERAL.

CERTIFIED that (~~subject to the remarks below recorded~~) qualifying service in {inferior / superior} grades has been duly proved for 24 years 9 months and 5 days; and that an Invalid {pension / gratuity} not exceeding Rs. 6 10 8 per mensem, equal to ⅓ average emoluments, is admissible under Section 61 & 68 (6) of the Civil Pension Code. The calculations have been duly verified.) It will be seen from the history of service that the applicant was on the 11th May/63 degraded from a post of Rs 10 8 per mensem to one of Rs 8 12 on account of overestimating certain quantity of salt manufactured in a pan more than its real estimate & the service rendered prior to 11 May/63 cannot therefore be treated as qualifying without the Special Sanction of Government, See concluding portion of Section 77 of the Civil Pension Code. Otherwise he can count service only from the 1st January 1864, the date of his subsequent promotion to a post in Superior Grade, and his subsequent service amounting to 14 years and 9 months will entitle him only to a Gratuity of Rs 240 equal to 12 months Pay.

The delay with the submission of this application is due to several unavoidable references in regard to the verification of the applicant's services prior to 6th May/53.

In accordance with rule 3. A under Section 87, the attention of Govt is respectfully solicited to Section 22 of the Code.

Similarly solicited to the explanation of the Salt Commissioner in his reply to this Office Memo No. ADJ/109 dated the 29th March last accompanying, in respect of the applicant's removal from the service before his incapacity for further service was duly established by a Medical Certificate.
