From

Received this day Proceedings
of the District Court dated 16th
Instant No 118 with a Memo

General Madras.

Questions as per
Memo.

Answer

Para 1.

Why the applicant Thorrappaty Ramaya late
is recommended 4th Amm of this Court was
for a gratuity of appointed an Amm in the year
Rupees 60 when under the Provision 1866 and ever since up to the
to section 40 & year 1873 he was being paid
the definition from Batha Collections.

under section
2 (iv) of the Civil
Pension Code
4th Edition, he
is entitled to Rs
10 only.

As directed in the Proceedings
dated 1st August 1873 that all
Process service Establishments
should have fixed salaries,
he was from that time paid
as an Amm at Rs 12-per mensem

He did not take any kind of leave from the time he joined the service till the date of his retirement. Being given in section 70 Page 39 of the Civil Pension Code 4th Edition that the amount of superannuation Pension which may be granted for superior qualifying service is that which would be admissible as an Invalid Pension and that although he was drawing fixed salary from the 16th of August 1873 still as he joined the service as an Amin in 1866 I thought by mistake that he joined the service before the 20th January 1871 mentioned in Proviso to section 70 and thus recommended him to Superannuation Pension under section 68. His service is less than 15 years, calculating his service from 16th August 1873 the date on which the aforesaid Government Proceedings came into force, it comes up to 5 years 7 months and 20 days in consequence of which he was recommended under section 68 of the Code for a gratuity of

What is the cause of delay in the submission of this application for a period of 5 months -

19a
Rupees 60 for 5 years at Rs 12-0-0 for each completed year of service but as provided in the Proviso to section 70 he is to get only Rupees 10-0-0 for his 5 years completed service.

It was directed in a Proceedings of the District Court No 2 dated the 20th February last to inform the said Court whether there were any in my establishment above 55 years old and fit for Pension. Receiving correct information as regards his service & I wrote, in reply to my arzi dated 1st April last recommending the amin for Pension. But I was directed by a Proceedings of the District Court No 40 dated 5th July last that before recommending for Pension, a medical certificate should be forwarded in accordance with Rule 5 section 105 of the Civil Pension Code: for which I submitted my reply through my arzis No 59 60 dated 26th July. Thereupon the District Court, returning the

service Register of the said
Korrapaty Ramaya sent me
also a Gratitude Application
Form directing me in their
Proceedings No 51 dated the
20th August to fill up the same,
and I accordingly filled it up
and sent back on the 1st September
Hence the cause of delay.

The Rule as to the payment
of salaries to the Process service
Establishment having come to
force on the 16th August-1873, the
service of this Annen has been
calculated from that year.
But this Annen having pur-
chased his service Register
on the 16th August-1876, his
service was shown in the Register
as commencing from that year
omitting by mistake to include
his previous service and this
was done during the time of
the late Moonsiffs. His service
actually commences from the
year 1873.

The practice of filling up
such applications being

Para 3

Why in the Register
of application the
date of the applica-
-tion's commence-
ment of service
is shown as 16th

service Book -

hitherto confined to the District
Court and this being the
first application for Pension
sent to this Court to be filled
up by clerks who have no
experience and who are quite
new to such work, there was
occassion for such mistakes
in question.
