Collector of the
Godavari District

The humble petition presented by Mopuri Swami, late a peon of Tanuku Taluq.

I was appointed a peon in Tanuku Taluq on 29th October 1840. It was during the Administration of Mr. Smith. I held the appointment in the same Taluq until 20th March 1878. All this time, I discharged my duties properly and earned the good opinion of my Superiors. I was never fined. I rendered my services meritoriously for 38 years. In the end I fell sick and lost my right eye. I had shaking in the head and my health was impaired. I thus became incapacitated for further Service and tendered my resignation for the appointment. My pay was originally Rs4. but I was gradually promoted to Rs 6. At intervals, I acted as Duffador and then I received Rs 7 pay. My Service Register will show all this.

I inclose an extract from my Service Register and pray that your honor will protect me and my children in these famine days by granting me a pension of Rs 4 with reference to the following ~~gazette~~ Gazettes.

1 ~~Gadzote~~ Gazette containing letter No 432 dated 14th October 1868 from the Honorable the Governor General having reference to inferior Servants who have served 35 years.

2. ~~Gazzete~~ Gazette No 2&. 3328 dated 16th January 1869.

3 ~~Gazzete~~ Gazette containing the direction of the Governor General in Council that a Note (No I) should be inserted under section 70 of the Pension Code dated 24th July 1874. No 4535.

Please to peruse.

Certified that I have carefully examined Mopuri Swamy, son of Mopury Venkanah, a peon of the Tahsildar's Office Tamuku Godavery District. His age is, by his own statement 58 years, and by appearance about 60 years. I consider Mopury Swamy to be completely & permanently incapacitated for further service of any kind, in the Department to which he belongs in consequence of old age, debility and the loss of his right eye. His incapacity does not appear to me to have been caused by irregular or intemperate habits.
He was not under medical treatment.

Deposition made on solemn affirmation by Mópiri Swámi, late a peon of Tanuku Taluk residing at Tanuku

Q. You were here a Taluk peon. You have retired from service. Reference was made to the Pay Abstracts to verify your services with the object of recommending you for pension. The pay abstracts of the following months are not forthcoming. The Collector has issued an order No. 54 dated 8th Instant directing me to take depositions on solemn affirmation from 2 of your contemporary employees and to examine you and them and to submit a report on the subject.

What do you say about this?

March & August 1876

Were you in service or not during the months above specified? If you were, did you then get your pay? Were you ever suspended or dismissed? Was there any break in your service? If there is any, Explain the same.

A. I was appointed as Taluk peon on 29th October 1840, and continued in the same appointment in Tanuku Taluk without any break whatever until 8th April 1878. I got my pay all the time. I was never suspended nor dismissed. Whenever I received my pay, I used to sign the Acquittance rolls. It appears that for some reason or other, they were mislaid somewhere. During the disturbances of Subbareddi, I was deputed to Yernagudem Taluk for their suppression and I remained there for 10 months. I remember that during that time, I received my pay in that Taluk. The pay abstracts of that period, may be found in the records of that Taluk. I remember it was in 1859 that I was sent there, but I cannot give the particular ~~year~~ month in which I was sent.

Q. You say that there was no break whatever in your service.
How can you prove this?

A. The truth will be known if you examine
1. Kannam Sahib
2. Lal Mahammad
& 3. Vanapalli Narisimulu
who served with me as Taluk peons in this Taluk. They will prove that there was no break whatever in my service.

I have heard this deposition. It is correct.

Deposition made on solemn affirmation by Kannam Sahib, peon of Tanuku Taluk.

Q. Mópúri Swámi, late a Taluk peon states that he entered the service in 1840, that ever since, he was neither suspended nor dismissed, and that he had no break whatever in his service until the date of his retiring. He has cited you as a witness. What do you know about this?

A. I was appointed as peon in Tanuku Taluk about 32 years ago. It was subsequent to the Cyclone of Vikari. It was after the 11th November 1839. I entered the public service within a year after the appointment of Mr. Salapanti Tirumala Rao Pantalu garu as Tahsildar of this Taluk. Ever since, the said Mópúri Swámi has been a peon in this

Telugu year corresponding with 1839 —

Taluk. Until he retired, he had no break whatever in his service. He was neither suspended nor dismissed. Four or five times, he acted as Daffadar in the place of Aga Sahib, a late Daffadar. In the rising of Subbareddi, he was sent to Yernagudem Taluk and he was there for 13 months. I also went there. I remember we then received our pay in that Taluk only.

I have heard this deposition. It is correct.

A. I have been a peon in Tumaku Taluk for the last 30 years i.e. since 1848. During this period, the said Mópiri Swámi was neither suspended nor dismissed. He served without any break whatever until 18th April 1878, when he retired. When Ala Sahib, the Duffadar of this Taluk, obtained leave, he (Swámi) used to act as

Deposition made on solemn affirmation by Kaulige Venkataramanayya, 2nd Gumastah of Tumuku Taluk.

I entered Government service on 17th April 1851. For sometime, I was Taluk Gumasta and afterwards Samutdar. I acted for sometime as Deputy Tahasildar of Pennugonda in this Taluk. A little time after the revision of the Taluk Establishments, I was appointed as 2nd Gumastah and I still hold that appointment. I know Mósúri Swámi from 17th April 1851, when I came to be appointed in this Taluk; He has been a peon here ever since and was so even before. I can positively say that ever since I came to be appointed in this Taluk, he was neither suspended nor dismissed and that he had no break whatever. I have heard this deposition.

The service claimed by the applicant in the affidavit and other papers can be accepted. It is proved by the evidence of 3 Contemporaries of the applicant of whom one was the 2nd Gumasta of the Tamuku Talug and the rest were the peons of that Talug. They unanimously speak to his having been in service during the period for which pay abstracts are not forthcoming and the Tahsildar who has made the enquiry gives credit to the statement of the Contemporaries.

MADRAS

viz on the 17th June 1878, he has applied for pension. There is nothing in the Pension Case as to whether this was the proper course to adopt but I think he should have applied for pension before he had finally quitted the Service, but the man is illeterate and did not know what was right. Unfortunately the proper procedure was not pointed out to him when he resigned the Service. But the Head Assistant Collector in whose Division he was last Employed thinks that he should not be deprived of his pension by an unintentional delay on his part in applying for it.

3. Under the Circumstances of the case, I beg to recommend a pension of Rs. 3. His Service has been verified from the Pay Abstracts of this office, but the Pay abstracts of a Month or two in some years are not forthcoming but I am satisfied that he was in Service in those Months as his name is to be found in the Pay Abstracts of the preceding and Succeeding Months. The Evidence of his Contemporary Employees and his own affidavit will be Submitted when received.

4. The Medical Certificate produced by the Applicant dated 21st August last is Enclosed as also an Extract from para 2 of the Head Assistant Collector's letter dated 26th October last No. 238 Certifying to the Applicant's unfitness for further Service when he retired.

I have the honor to be,
Sir,
Your Most Obedient Servant.

2. The peon in question applied for leave on 9th April 1878 on the substitution of his son Nagabhushanam on half pay and on his application the substitute was formally appointed as peon in his stead from 1st May 1878, because the applicant expressed his inability for further service on the ground of infirmity and old age and his statement was found to be true.
