PENSION DEPARTMENT.

3rd May 1880, No. 351.

Pensions, &c.

Read the following paper :—

From A. C. TUPP, Esq., Officiating Accountant-General, to the Secretary to Government,
Pension Department, dated Ootacamund, 24th April 1880, No. 20-N.

Treasury Account Department.

With reference to the letter from the Government of India, No. 734-G, dated the 19th March 1880, Public Works Department, to the Secretary to the Madras Government, Public Works Department, of which a copy accompanies this, I have the honor to report that I have ascertained from the Examiner of Public Works Accounts, Madras, that the officers named in the margin, whose pensions and bonuses have been sanctioned in the Orders noted opposite to their names, have since been re-employed under Local Fund Boards, and to request that I may be favored with the orders of Government.

Mr. J. O'Shaughnessy, Executive Engineer, 2nd Grade—G.O., No. 811, dated 10th December 1879.
Mr. W. S. Harrington, Executive Engineer, 1st Grade—G.O., No. 828, dated 18th December 1879, and No. 119, dated 15th February 1880.
Captain Bailey (bonus only), Executive Engineer, 3rd Grade—G.O., No. 260, dated 25th March 1880.
Mr. B. Stephens, Supervisor, 1st Grade—G.O., No. 110, dated 16th February 1880.
Conductor Seton (bonus only), Sub-Engineer, 2nd Grade—G.O., No. 275, dated 31st March 1880.

2. With reference to paragraph 2 of the Government of India letter regarding these officers, I propose, with the permission of Government, to issue instructions to the Treasury Officers of the districts in which the above-named officers are employed to recover from them any pension which they may have drawn from the date of their re-employment, and to direct all Treasury Officers to refuse to pay the pension of any Public Works Officers who may be employed by a Local Fund Board.

3. I would further respectfully inquire whether, with reference to the first part of paragraph 2 of the Government of India letter, the Madras Government intend that those officers who have already been re-employed should continue to hold their present appointments.

4. I take this opportunity of also reporting to Government, with reference to G.O., No. 267, dated 30th March 1880, Pension Department, that the Examiner of Public Works Accounts has informed me that the persons named in the margin, who were granted three months' bonus, have accepted employment under Local Fund Boards. I propose, therefore, to request the President of the Boards concerned to call upon those persons to refund their bonus as required by the Government of India letter, No. 27-A.E, dated 12th February 1880, embodied in G.O., No. 370-W., dated the 16th idem, Public Works Department.

ENCLOSURE No. 1.

From the Government of India, Public Works Department, dated Fort William, 19th March 1880, No. 735-G (General).

The following is forwarded to the Accountant-General, Madras, with reference to his telegram received in the Finance Department, dated 29th January.

(By order.)

(Signed) A. B. SAMPSON,
Under Secy. to the Govt. of India.

From the Secretary to the Government of India, Public Works Department, to the Secretary to the Government of Madras, Public Works Department, dated 19th March 1880, No. 734-G.

I am directed to acknowledge your letter, No. 249-W, dated 2nd February, referring the question, whether the Local District Boards may employ persons who have retired under the Resolution, No. 2079, dated 31st July 1879, without affecting their pensions or gratuities.

2. I am to request that no Local Board carrying out Government works from Government money may be permitted to engage staff so long as the Government of Madras in the Public Works Department can place men at their disposal from the ranks of that department. If officers who have been pensioned under the above-quoted Resolution are employed by the Boards, they must surrender their pensions. In both cases the service under the Boards will be pensionable service and the usual contribution of 20 per cent. of salary will be paid into the Imperial Treasury.

ORDER THEREON, 3rd May 1880, No. 351.

The letter from the Government of India in the Public Works Department, referred to in paragraph 1 of the Accountant-General's letter, being based on a misconception of facts and of the legal position of Local Fund Boards under Act IV of 1871, a representation on the subject is being made to them.

2. The Accountant-General will in the mean time take none of the steps proposed by him in regard to the pensions, gratuities, or bonuses of officers or subordinates who, having retired from the Public Works Department under the recent reductions, may have taken service under Local Fund Boards.

Pensions, &c.—Accountant-General requested
 not to take the steps proposed by him in regard
 to the pensions, gratuities, or bonuses of officers or
 subordinates who, having retired from the Public
 Works Department under the recent reductions,
 may have taken service under Local Fund Boards.

Note by the Honble R. Hudleston

I would tell the Accountant-General that he is on no account to take the steps that he proposes in regard to the pensions and gratuities of men and officers reduced from the Public Works Department who have taken service under Local Fund Boards, the letter from the Secretary, P.W.D. Government of India being based on a total misapprehension of facts and of the position of Local Fund Boards by law under Act IV of 1871 as is being represented to them -

And I would at once address
the

the Government of India,
pointing out the error of their
view and the impracticability
of their instructions viz:

that the Local Fund
Boards in question do not
carry out Govt: works from
Govt: money unless they con-
-sent to do so as a matter of
favor to Government,

that service under these
Boards does not confer any
claim to pension from Govt:
unless in the case of Govt:
servants lent and pension
contribution required which
system has never yet been
adopted and that the Local
Fund Boards are independant

have done.
