Precis of Correspondence between
the Divisional Officer and the Tahsildar
of Srivillipattur Taluq regarding
the Applicant's Claim for pension.

1. The applicant petitioned the Divisional officer on the 14th June 1875 stating that he was unfit for work on account of old age and praying to confer his post upon his son and to grant him pension.
2. The Divisional officer issued an order to the Tahsildar on the 15th June 1875 accepting the applicant's resignation and appointing his son to his post. But no order was passed upon his claim for pension.
3. On the 29th November 1875, the applicant reminded the Divisional officer about his claim for pension.
4. On the 22nd December 1875, the Tahsildar was

limited by the Divisional Officer
to report upon the applicant's claim.

5. On the 9th September 1876, the
Sahsildar reported to the Divisional
Officer regarding the applicant's claim.

6. On the 23rd September 1876, the
Divisional Officer decided that the appli-
cant was not entitled to pension as he
did not produce Medical Certificate of
incapacity.

7. The applicant then petitioned
the Divisional Officer for reconsideration
of his case.

8. Upon this last petition, the
Divisional Officer issued an order
to the Sahsildar stating that the appli-
cant's claim for pension would be
considered if a Medical Certificate
and Service book were produced. With
reference to this order, the Sahsildar
obtained the Medical Certificate

and forwarded it direct to this office
on the 19th December 1876.

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

CERTIFIED that (subject to the remarks below recorded) qualifying service in {inferior} grades has been duly proved for 30 years 10 months and 15 days; and that a ^{gratuity} pension {pension} not exceeding Rs. 36 a ^{gratuity} month (as equal to 6 months) is admissible under Section 117(b) of the Civil Pension Code. (The calculations have been duly verified.)

That Govt. Co. placed to accept the Collector's explanation in his reply to the Memo No. 349 dated the 28th July last, bearing with submitted, in regard to the applicant's removal in June 1908, before his incapacity for further service was duly established by a Medical Certificate consequent by the provisions of the Civil Pension Code and the repeated Orders of Government in the subject, and in respect to the delay of nearly 4 years in the submission of this application. The Medical Certificate produced bearing date the 10th January 1911 is herewith submitted. The applicant is not entitled to a Pension though his service extends over 30 years as the rule limiting the length of service for Pension to 30 years, came into force only in Sept. 1878.

The Character and past conduct of the applicant do not appear to have been satisfactory. It rests therefore with Government to make such reduction in the amount of any gratuity that may be sanctioned to him, as it may deem proper under Section 22 of the Code.

Received your arzi no 9 of the 1st Instant to the effect that Police peon Ramasami naik's father Kondappa naik has petitioned in person requesting that his younger son Gopala naik may be appointed instead of the above Ramasami naik, to whom he got his post and who died of some disease after six years service therein, as he has no other means to live upon. Gopala naik appeared before me; and he is fit for the work as stated in your arzi. He is therefore appointed for the post with retrospective effect from the 1st Instant. His name should be entered accordingly in the pay abstract and the belt be handed over to him, exacting the peon's work carefully from him.

Any Other
Remarks.

23

The applicants' Service book is herewith submitted together with the original and renewed Medical Certificates.

The applicant was removed without a Medical Certificate which was since obtained and forwarded by the Srivilliputtur Tahsildar on the 19th December 1876 after some Correspondence between him & the Divisional Officer. As his Service book was reported to have been lost, a Careful search into the records was ordered to be made to ascertain the details of his services. The Record Keeper could not furnish the requisite information till the 20th July 1878. owing to the Confused state

Mr. M. 269

of the records and to the flood of December
1877 which had damaged numerous files
of records. The Record keeper having reported
that the early part of the applicants' service
(1st February 1844 to 31st May 1846) could not
be verified, the applicants' affidavit &
the testimony of Contemporary servants
regarding that portion of service had
to be obtained. Hence the delay in submitting
this application.

To avoid similar delay in future
the Divisional officers have been instructed
not to allow any servants to retire until his
services have been first verified by the
Account Department.

With reference to this circumstance the Collector will
be good enough to inform this Office at his early conve-
nience, of the date from and up to which he overstayed
his leave, which overstayal resulted in his ultimate

Reply to the Accountant General's
Memo No ^{A.D.K.} 349 dated 25th July 1879.

The Divisional officer under whose orders
the applicant was removed from the service,
says that he does not now remember on
what condition the resignation of the
applicant was accepted but from the
accompanying precis of Correspondence
between the Divisional Officer and the
Sahsildar of Strivilliputtur Taluk re-
garding the applicant's claim for pension,
it appears that he was removed for
incapacity on account of obduracy and
that a Medical Certificate was not
obtained before his removal through
oversight.

2. The applicant took leave for
2 weeks from 1st September 1868 and
returned to duty on the 30th Idem and
thereby overstayed his leave by 15 days.

It is requested that this period may be
deducted from the period reckoned as

You further state that the peon since

that when he was deputed to office work, Com-
plaints were received against him that when
he was sent to the village of Sandrapandiam

the Nattamais without collecting the money,
and that other peons grow careless in their
