The Lascar was pronounced

Surgeon -

in a Petition he states that he has served 15 years in the Department but his service book shows that he was entertained in 1865.

From the records of the Madhavapally Division, the applicant appears to have employed continually from September 1872 to the date of the Certificate: and the records of the Juddapah Division show his employment during the years 1869 to 1872.

Under para 4 Section 74 of the Civil Pension Code, an affidavit of the applicant's service was taken before the Sub Magistrate of the Rayachot Taluq. to the effect that Panpanah was in the service from 1865 to 1868.

There are no further records from which the Lascar's services can be verified: but if the verification can be completed in your Office, the applicant will be entitled to a gratuity.

The delay in forwarding these papers is due

Copy of letter No 3162 dated 1st April 1879, from the Examiner Public Works Accounts to the Superintending Engineer R. Birch.

In returning the Service Book of Lascar Cotta Cotta Panpanah and the papers therewith received, I have the honor to state that the services of the Lascar cannot be verified from the records of this Office owing to the non entry in the Audit registers of the names of persons in the inferior grades.

2. Information should be furnished as to why the Applicant's services from 1865 to 1869 cannot be verified: whether owing to want of records, or to the Applicant's name not being traceable in the available records. If the former, the applicant should be called upon to state in his affidavit, the names of persons under whom he served during the period in question and also to produce any original documents in his possession, such as testimonials given to him by his superiors &c.

3. It is observed from the entry made in the 2nd page of the Service Book that the Applicant was granted leave for medical certificate without pay from 1st April to 15th July 1878, while he was pronounced unfit for further service by the Medical Surgeon.

Surgeon on the 24th June 1878, from which date
his connection with the Department appears
to have ceased. The necessary correction should
be made in the Service Book.

I request that a regular Application
for gratuity in the prescribed form (Form No. 10
Form A 1876) may be submitted on behalf
of the Applicant and the English translations
of the Applicant's affidavit and the statements
of contemporary servants returned duly attested.

Sir

With reference to your letter
No. 3 S.E. 2nd dated 1st April 1879, I
have the honor to forward application
for gratuity, Service book, Medical Certificate,
an English translation of affidavit
and testimonials of two Contemporary
Servants, for Lascar Cotta Cotta
Pampunah.

The applicants service from 1865
to 1869 cannot be verified, his name
not being entered in the records.

The entry in the Service book re-
garding leave terminating on the 16th
July 1878 is corrected to 26th June 1878.

The verification of service between
1865 & 1869 thus far being imperfect, I
asked Pungiah Chetti now a clerk in
my

ing Office, if he remembered the lascar
Ponpanah, as he was for many years
in the office of the District Engineer
of Cuddapah. Rungrah Chetti's State-
ment is enclosed - and gives I think
sufficient evidence, that the service may
be accepted.

I have the honor to be.
