Certified that I have carefully examined Yelavarthi Vankiah, Lascar Department Public Works Godavari District, Son of Yelavarthi Vankiah Sri aged by his own statement 60 years and by appearance about 50 years. I consider Yelavarthi Vankiah to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs. His infirmity is Leprosy. This incapacity does not appear to me to have been caused by irregular or intemperate habits.

Copy of Memo No. 258 G.D. dated 18th December 1877 from the Examiner P.W. Accounts Madras to the Superintending Engineer Godavari.

The undersigned has the honor to return the enclosed applications for gratuity of ancut Lascars Venkannah alias Venkiah and Ramcharigadu and the papers therewith received and to request that the Superintending Engineer will be good enough to ascertain from the applicants whether the Establishment in which they were employed during the period for which their services cannot be verified from the Divisional Office Records, was permanent or temporary. This information should be furnished in the applicants' affidavits together with the names of Officers or Subordinates under whom they were employed during the period in question

2. It is requested that any document such as testimonial, order of appointment &c which may prove the applicants continuous employment on the permanent establishment may be forwarded in support of the applicants services. In the absence of such documents the evidence of two or more contemporary Servants is necessary in support of the service.

3. It is observed from the Audit Registers of this Office that no pay was passed for the

conservancy Establishment from 1st July 1862 to 31st March 1863. It should be explained how the pay of the anicut Establishment was disbursed during this period

4 According to the entries in the Audit Registers of this Office it is observed that the lascars on the Conservancy Establishment had drawn pay at Rs 5 only per mensem till the 31st July 1868, while the entries in the History of Service shew that the applicants were in receipt of Rs 6 per mensem from 1st October 1867. The cause of this difference should be explained.

5 The enclosed applications for gratuity and the service books should be returned, with the signature of the Superintending Engineer in the places provided for the same, and column "How verified" in the 2d page of the applications should be completed with the required information.

Sir,

With reference to your predecessor's memorandum No 3157 dated 16th January 1878, forwarding Examiner's letter No 258 G.D. of the 15th December 1877 with 7 enclosures, I have the honor to afford the following information on each para of his letter.

× herewith returned.

Para 1. From the enclosed affidavit presented by W. Naunchariyadu, giving the names of Subordinates under whom he served it would appear that the whole period of his service was permanent and continuous.

Para 2. The documents of the kind referred to

to by the Examiner not having been possessed by the applicant the evidence of 2 of his contemporary servants is herewith sent.

Para 3. As regards the salaries of the Conservancy Establishment from 1st July 1862 to 31st March 1863 which the Examiner states, were not passed by his office I have the honor to refer you to Para 2 of this Office letter No. 132 dated 7th June 1875 explaining how the pay of N. Sambiah late embankment Superintendent who was simultaneously employed on the Conservancy Establishment of the Anicut, was passed.

Para 4. The entries in the Histories of services of the applicants made as having drawn at Rs 6 per month from 1st October 1867 are incorrect because they have drawn so from 1st June 1868 as verified from copies of acquittance Rolls obtainable in this Office, but not from 1st July 1868 as referred to by the Examiner.

The necessary corrections are now made in the Histories of services.

Of these 2 applicants V. Venkamah having since died, only the affidavit presented by Naunchariyadu is herewith submitted.
