With reference to your letter of the 13th ultimo No 39, I have the honor to return the Service Register of Kanna Balann Ramayya with a Statement of his Services in this Party duly prepared from the Records in this Office from 1st January 1863 to 31st October 1873. On enquiring into the cause of the discrepancies in the Service Register now returned I learn that it was prepared from data furnished by the Gannakshinid and that the entries were not checked with the Pay bills as has for some time been the rule and I fear that there may be similar errors in the Registers of the other men who were transferred to your party in 1873.

late a Head Classifier, Gangam Revenue Settlement Party.

Sir,
I have
The undersigned has the honor to request that you will
be good enough to furnish this office with information
on the following points.

- Whether the Establishments in which the applicant was employed during the whole period of his service were of a nature such as was described in Section 32 of the Civil Pension Code, if so, why there were so many fluctuations in the rates of his pay. The Audit Registers on record in this office show that on several occasions, the applicant drew pay at rates much below the sanctioned scale. The variations have not been particularized as they would occupy space needlessly.
- Whether the applicant's degradation in July 1867 was due to misconduct, if so, he cannot count his previous service without the special permission of the Local Government under Section 77 of the Code.

Application is herewith returned for

Sir,

As desired in your Proceedings No.
 $\frac{3544}{398}$ dated 3rd Instant, I have the
honor to report on the points in which
further information is required by the

Accountant General regarding the
Pension application of K. Ramayya.

(a) The establishment on which the
applicant was employed during the
whole period of his service was
of the nature described in section 32
of the Civil Pension Code. The numerous
fluctuations in the rates of his pay
are due to the existence of a rule in
the Settlement department which
was very strictly enforced during the
early days of the department, under
which

which classifiers were not entitled
to pay for any days (except Sundays)
that they did not perform work
up to a standard which was not
fixed too low. Under this rule, at
the end of a month, each classifier's
outturn of work was examined, and
if the total fell short of the quantity
due by the standard for the number
of working days in the month, his
pay was drawn only for the smaller
number of days. This, I think, he regarded
as degradation. I explained this
briefly in the remark column of
the application.

(b) In the absence of any record, I
conclude that the applicants' degradation
in July 1862 was due to the cause
specified above. If the reduction
of pay was inflicted as a
punishment for misconduct, no
doubt there would have been some
remark to that effect.

(c) Retain the application having made
the necessary entry opposite to No. 1
on the third page. Last pay Certificate

A copy of the last pay certificate

Explanation of delay was given in this
office letter to the Director Revenue
Settlement No. 122 dated 13th May last
paras 6, 7, 8, 9, 10 and 11. Briefly the delay
was caused by the long correspondence
with several offices which was necessary
to verify the applicants' services.

reference to his letter No. 533 dated 26

The delay in the submission of the

applicant had served for the
verification of his services.
