No. 427

Survey office
Madras
25 November 1879

From
The Superintendent Madras Survey.

To
The Deputy Superintendent
No. II Revenue Survey Party
Bellary.

Sir,

With reference to your letter No. 1283/380 of 1st October 1879 forwarding the service book of civil assistant Mr. Fraser for entry of his military service, I have the honor to forward original letter No. 2015 of 6 instant from the controller of military accounts giving the history of Mr. Fraser's previous service and to request that the necessary entries may be made accordingly in the service book which is here with re-turned and the letter returned to this office when done with.

2. It is observed that two days break in

Mr. Fraser's service on 30th & 31st May 1858 has to be accounted for. The Controller of the Military accounts informs in reply to a reference made to him that Mr. Fraser's name was struck off the strength of the Gun Carriage Factory on the 29th May 1858 and, that he was paid up to that date inclusive, while it appears from the pay Bills of the late Godaveri Party lodged in this office that he was admitted only from the 1st June 1858. I therefore request that Mr. Fraser be called upon to give any information he may be able on this point and the entries corrected so as to avoid the apparent break in service if necessary.

3. Mr. Fraser's services in the Godaveri party have been verified with the exception of leave to verify which no records either in this office or in the Accountant General's office are forth-coming. I request that an affidavit as directed in clause 5 Section 84 of the civil Pension Code Fourth edition may be taken from the Civil

Assistant.

I have the honor to be
Sir
Your most obedient Servant
