VIDE ^{his} Application for Pension on behalf of C. Venkatarama Inder, late a person on your staff.

THE undersigned has the honor to enquire as follows—

1. Why the applicant was removed from the Service from the 9th August 1879, while the Medical Certificate declaring him to be unfit for further service is dated the 11th 1879, and why a pension of Rs 4 in lieu of Rs 3 1/2 only was recommended. Please see Section 76 (b) of the Civil Pension Code.
 2. Why the 4 months sick leave stated to have been enjoyed by the applicant between 1849 and 1867 has been excluded from the total period of his qualifying service. Vide Section 53 of the Code.
 3. Whether the Applicant's entire Service have been verified from Office Records, such as Acquittance rolls or Copies of pay abstracts, if so, the result of such verification should be entered in the Column headed "How Verified" on the 2^d page of the accompanying application which should be returned to this Office after filling in the No 265 on the 3^d page of the same.
- Please

Please forward the applicants Service Book which should have accompanied the Application under acknowledgment. If the same was not maintained, it is requested that one may be prepared now and submitted to this Office at an early date, Vide Sections 82 & 85 of the Civil Pension Code

1. Date of removal from the Service corrected to date of Medical Certificate declaring him to be unfit. Heretofore, Persons of 20 years Service and upwards have been recommended for a pension of Rs 4-0-0 leaving it to the pleasure of Government to grant that sum or the lesser one of Rs 3-8-0.

2. This inadvertence is now corrected.

3. The Applicants Services are verified by Office copies of the Pay Abstracts as now stated in the column headed "How verified". Nos 2 to 5 on the 3rd page are now filled up.

Applicants Service book has been compiled and is forwarded herewith

The undersigned has the honor to return the application
and the Service Book for insertion opposite
No 17 on the 1st page, in the former a few
more personal marks to facilitate identi-
fication, and for note of the reason of termina-
tion of the applicants Service in the latter. The
documents should be retransmitted ac-
companied by a Last Pay Certificate

It is pointed out that the mere
alteration from 8 to 11 August 79 now made
in the item No 7 on the 1st page of the appli-
cation does not sufficiently establish the
fact of the applicants retention in Service
up to the date on which he was declared by
the Medical Officer unfit for further Service.
Corresponding corrections should therefore
be made in the Service Book and the entry
opposite to item 13 on the 1st and in the history
of service on the 2nd page of the application
explaining fully how the applicant was
employed from 8 to 11 August 1879.
