They are taken on and discharged according to the ever varying requirements of field work – thus if a Surveyor falls sick or is transferred to another District, the measurers employed under him are dis:charged as being no longer required. I am Consequently of opinion that these men should not be Considered eligible for Compensation gratuity, but should be treated as temporary servants which they practically are.

Sir,

Your application for gratuity on behalf of C. Venkatasawmy Nayakan, late measurer No. 5 Rev: Survey Party.

Adverting to para 2 of your letter No. $\frac{211}{A}$ dated the 6th September last, I have the honor to state that under the circumstances therein detailed, a measurer who is "taken on, and discharged according to, the ever varying requirements of field work" should be treated as a "temporary" servant; Consequently Venkatasawmy Nayakan cannot be considered eligible for any retiring allowance for the period during which he served in the capacity of a measurer. If however you consider the applicant entitled to any gratuity for the period of service rendered as Peon from 1st March 1866 to 31st May 1872 prior to his transfer to the temporary post of

measurer

measurers, you are requested to submit an application revised accordingly, setting forth the grounds of your recommendation.

It is not understood why the names of such temporary measurers were shewn in the Annual Lists of Peons submitted to this Office which were expected to include only the names of permanent Servants.

VIDE ~~your~~ *Application for* ~~Pension~~ Gratuiy *on behalf of* C. The Supt. of Madras Survey is requested therefore to inform this Office whether the applicant's services would have been dispensed with apart from the reduction which nominally caused his removal. If so, the accompanying application should be revised in accordance with the rules for submitting an application for invalid gratuity, and resubmitted at an early date. It is evident that since the reduction above alluded to was unauthorised, he cannot claim a Compensation Gratuity

### CERTIFICATE AND REPORT OF ACCOUNTANT GENERAL.

CERTIFIED that (subject to the remarks below recorded) qualifying service in {inferior ~~superior~~} grades has been duly proved for 10 years 7 months and 22 days; and that an Invalid {~~pension~~ gratuity} not exceeding Rs. 24 equal to 4 months pay will be ~~is~~ admissible under Section 56 2 & 76 (a) of the Civil Pension Code, ~~the calculations have been duly verifi~~ provided that Government be pleased to accept the explanation furnished by the Superintendent Madras Survey in the accompanying papers in respect to the applicant's discharge in October 1873 in consequence of reduction of Establishment not duly authorized by Government.

It will be seen from the Superintendent's observations in his letters Nos. 211/A & 259/A dated the 6th September and 6th November 1879 respectively that "measurers are taken on and discharged according to the ever varying requirements of field work" in the Revenue Survey Department, and that the services of such measurers were, in accordance with the practice obtaining till October 1879 (when Government decided that they should be regarded as temporary) treated as permanent and qualifying for Pension and Gratuity under the Civil Pension Code. Under these circumstances this office in calculating the applicant's service has treated his services as measurer as qualifying.

The unusual delay in the submission of this explanation is explained by the Superintendent in his reply to this Office memo No. ADR/5 dated 9th January 1879 and the further delay in its disposal in this Office is due to repeated references having had to be made in respect to the admissibility of the applicant's services as measurer, as will be seen from the accompanying papers.

The calculations have been duly verified.

In accordance with rule 3 A. Section 87 the attention of Government is respectfully solicited to Section 22 of the C. P. Code
