Gratuity Singh late an Asst. Salt Supt. Calingapatam
The undersigned has the honor to enquire as follows
1. What is the Country or House name of the applicant & that of his father
2. Why there has been a delay of nearly 3 months in the submission of this application.
3. Why the period of applicant's absence on leave on pay from 18 October to 17 Decr/66 has not been deducted from the total period of his qualifying service & why a saving of Rs. 1- is shown against his name in the pay abstract for May/67. If it was on account of absence without leave, the duration of such absence should be specified.
As the amount of gratuity proposed will, on commutation yield a pension of more than Rs. 2- per mensem, the Salt Commissioner will be good enough to forward to this Office the confidential Medical Certificate referred to in Rule 5 under Section 105 of the Civil Pension Code.

2 The delay of 3 months in the submission of the application was unavoidable. The applicant's service Register had to be verified in the Treasury Deputy Collector's office and the application had to be checked in the Deputy Commissioner's and Central offices.

3. Copy of Ganjam Treasury Deputy Collector's letter No. 364/909 D/6 March 1880 to Asst Commissioner of Salt Revenue Ganjam is herewith forwarded, from which it will be seen that the applicant was on privilege leave on loss of half pay during the period under reference and that he was deducted from his pay for May/67 on account of fines and not for absence without leave.

The applicant is reported to have died in December 1879, and consequently no Confidential Medical certificate is furnished.

Sir, With reference to your letter No. 56 dated 23rd February 1880, I have the honor to state that it appears from the Leave Statement that C. Jagannadharaj late Asst. Salt Superintendent took privilege leave from the 18th October to 17th December 1866. In a Supplemental Bill dated 22nd February 1867 which was cashed in the Treasury in February 1867, half pay was drawn for the original incumbent and the other half for his substitute for that period. No mention was made in the bill of the nature of the leave granted. I infer from the circumstances that the leave was privilege leave on loss of half pay,
