Pension.

Read the following papers:—

Proceedings of the Madras Government, Public Works Department, dated 26th May 1880, No. 1258-A.W.

Read endorsement in the Pension Department, dated 22nd May 1880, on letter from the Accountant-General, No. 192-N, dated 14th May 1880, enquiring whether retired Public Works Officers should be allowed to draw their pensions in addition to any pay they may be entitled to if re-employed under Local Fund Boards in connection with a claim in the Coimbatore District.

Pending the receipt of final orders from the Government of India, the Accountant-General will be desired in the Pension Department to instruct the Coimbatore Treasury Officer to disburse the pensions of the pensioners in question, who, it is observed, are erroneously designated "D.P.W. servants" by the Deputy Collector. The men are not in the Government service.

2. The 107th Section of the Civil Pension Code is not considered applicable to their case.

3. The Accountant-General misconceives the nature of the relations between Government and Local Fund Boards, and the position of the latter. Service under Local Fund Boards is analogous to service under Municipalities, which has been admitted by the Government of India to be non-Governmental.
