GOVERNMENT OF MADRAS.

## PENSION DEPARTMENT.

4th June 1880, No. 498.

**Pension.**

Read the following papers:—

From the Inspector-General of Jails, dated 11th November 1879, No. 6045.
„ Assistant Accountant-General, dated 5th May 1880, No. A.D.J.—384.

ORDER THEREON, 4th June 1880, No. 498.

The Governor in Council is pleased to grant to Balla Raganna, late Head Warder, District Jail, Vizagapatam, an invalid pension of Rs. (4) four per mensem, payable from the 1st October 1879, in consideration of his qualifying inferior service of twenty-nine years, eleven months, and twenty-seven days, subject to confirmation by the Government of India.

2. The Government note that this application was submitted by the Medical Officer in charge of the District Jail in admitted "ignorance of the rule" that pension is only admissible after thirty years' service in the case of inferior servants, and desire that the Inspector-General of Jails will take measures to ensure that all Superintendents of Jails make themselves fully acquainted with the Rules of the Civil Pension Code.

3. It is observed that the application was received in the Accountant-General's office on the 14th November 1879, but that the first reference regarding it was not made until the 27th February 1880, or replied to by the Superintendent of the Jail until the 11th April. These lengthy delays were apparently altogether unnecessary, and the case thus did not reach Government until upwards of seven months after the applicant's removal from the service.

Affidavit given by Valloor Kunhappa Menon, the late Head Gomastah of this Court on 25th August 1879 before the Court of the District Munsiff of Pynaad on solemn affirmation

I have looked at the statement of my service sent by the District Court of North Malabar. It appears from that statement that I was employed as a Gomastah in the late Mufti Sadr Amin's Court Tellicherry) on a pay of 9 Rs only from 1st June 1856 to the 30th of that month and that there are no records to verify my service from 1st July 1856 to 30th April 1864. My actual service from 1st July 1856 from 31st July 1866 is not as shown in that statement. The correct statement of my service during that period is as shown below and there are also records in the District Court to support the statement. The rest of my service shown in that statement is correct.

Reply.

It appears from the Acquittance Rolls of 1848/49 kept in this office that the appointment in which the applicant acted was permanently vacant, but he was subsequently confirmed in an appointment of a Gumastah of 5 Rs. hence his service for that period was not excluded. Whether any other person counted the service for the period the applicant was so acting, the undersigned is not in a position to certify, but from an enquiry, it appears that Mánnan Patter, for whom, as the Acquittance Rolls shows, the applicant was acting, died while in the Government service.

2. Copy of District Munsiff's letter and that of the Civil Surgeon's letter on the subject of the accompanying Medical Certificate, are enclosed. A second Medical Certificate given by Dr. Hyde is also herewith forwarded. For further particulars vide accompanying letter.

3. The Last Pay Certificate was forwarded to the Accountant General's Office on the 23rd October last together with the application.

No. 93. Tellicherry 23rd March 1880

From,

J. W. Reid, Esquire,
District Judge of
North Malabar.

To,

The Accountant General,
Madras.

Sir,

On receipt of your letter No. $\frac{AGK}{35}$ dated 20th January 1880, I having referred to Note 2 Section 63 of the Civil Pension Code, 4th Edition found that it is required by it that if possible a second medical opinion should always in such a case be obtained. I accordingly required V. Kunhappa Menon late Head Gumastah of the District Munsiff's Court of Paynad to appear also before the Civil Surgeon of Tellicherry and requested the latter to furnish me with a certificate as to his fitness for further service.

2. Dr. Hyde has in the Certificate forwarded declared that V. Kunhappa Menon is fit for further service.

3. Through the District Munsiff of Paynad, Dr. Roberts, Civil Surgeon of Calicut who gave the original certificate declaring V. Kunhappa Menon "completely and permanently incapacitated for further service of any kind" was requested to send a revised certificate

in

in accordance with form prescribed in Note 2 Section 63 abovementioned, and Dr. Roberts replied to the Munsiff "no detailed reasons (as required in above note) can be assigned in this case. the man is prematurely old, without any very marked failing of any special set of functions. He himself says he is fit for work but your office will know best about that, and why he was sent to me for examination his age being only 53 years by his own statement."

4 With reference to applicant's statement of his age the Munsiff reports that V. Kunhappa Menon's statement before Dr. Roberts that he is only 53 years of age is not correct for according to his own statement in his Service book he will have completed 55 years of age on 23rd August next.

5. The circumstances of this case are these In April 1879 the new Establishments under G. O. 19th November 1878 No. 2343. J. D., were appointed. The pay of Head Gumastah formerly Rs. 20 per mensem was raised to Rs. 40 per mensem. and the District Munsiff in a report dated 1st March 1879 to Mr. Woodroffe Ag: District Judge for the reasons (1) that in their letter to Government of 10th December 1877 No. 2851 (Vide G. O. 25th January 1877 No. 168) the High Court expressed an opinion that both the Head and Second Clerks of District Munsiffs' Court Establishments should be qualified in English and the vernacular of the District and that V. Kunhappa Menon was

ignorant

ignorant of English, (2) that he was a slow hand and his age was disqualifying him daily more and more for efficient discharge of his duties. instances of which in efficiency he details. recommended that V. Kunhappa Menon's services be dispensed with and that he be directed to retire on a compensation pension under Section 50 A Civil Pension Code (3rd edition).

6. In reply to this report in Proceedings No. 111 dated 7th March 1879 Mr. Woodroffe ordered that should the District Munsiff have reason to suppose that V. Kunhappa Menon was affected with any infirmity as indicated in Section 52 C. P. C. (3rd Ed.) the Munsiff should direct him to appear before the Civil Surgeon of Calicut for Medical Examination and at the same time address that Officer with a request to furnish a Certificate as to Kunhappa Menon's fitness for further service.

7. In the mean time by Proceedings No. 122 dated 13th March 1879 Mr. Woodroffe appointed another to be Head Clerk and in the arrangements made V. Kunhappa Menon was not provided with an appointment.

8. On a report dated 12th March 1879 from the Munsiff enclosing Medical Certificate of the 11th March 1879 (by Dr. Roberts) of incapacity for further service of Kunhappa Menon Mr. Woodroffe requested the Munsiff to submit Kunhappa Menon's complete application for pension or gratuity.

9. Subsequently the application for pension referred to in your letter was sent in by me.

10. The appointment made by Mr Woodroffe being under Act III of 1873 I conceive it is not within my power to alter that appointment.

11. In my opinion Valoo Koonhappa Menon is not fit for further service. The report of the Munsiff dated 1st March 1879 above referred was not the first time the Munsiff reported him unfit for the discharge of his duties. He made a similar report dated 14th December 1878.

12. I think it not improbable that if Dr Hyde were furnished with all the particulars of the case he might come to a different opinion as to the man's fitness for further work.

13. Under all these circumstances I beg to suggest that the special details of the case be laid before Government, and a recommendation made that the pension now applied for be granted.

Certified that I have carefully examined Valoo Koonhappa Menon son of Amboo Menon a Head Gomastah in the District Moonsiff's Court of Quilandy

His age is, by his own statement, 53 years, and by appearance, about 60 years, I consider Valoo Koonhappa Menon to be completely and permanently incapacitated for further service of any kind, in the Department to which he belongs in consequence of premature old age.

His incapacity does not appear to me to have been caused by irregular or intemperate habits. ~~of opinion that is fit for further service of a less laborious character than that which he has~~ been doing, ~~or may, after resting for months, be fit for further service~~ of a less ~~laborious character than that which he has been doing.~~

The President having Communicated as directed in para 3 of the above quoted letter with the District Judge Tellicherry (not Tinnevelly which is evidently a mistake) Valle Kunjappa menon presented himself for examination by the Medical Board.

The board having Carefully examined the said Vallur Kunjappa are of opinion that he is unfit for further service as a writer on account of writer's Palsy and as evidence thereof enclose a Specimen of his writing with the original. The former is numbered 2 and the latter 1. The time occupied in making the Copy was a quarter of an hour and it was evident that it was made with labor and effort each letter being formed Separately.

The Board would remark that the difference of opinion of Drs. Roberts and Hyde is more seeming than real as the Board Consider Kunjappa menon fit for further service of a light nature not necessitating writing, and permanently quite unfit for any further service as a writer

Proceedings of the Court of the [illegible] Munsif of [illegible] of [illegible] 4th March 79

1. Read again C.M.P. No. 714 of 1879 presented by [illegible] pleader on behalf of Kornegail [illegible] [illegible] decree holder in O.S. No. [illegible] of 78 praying [illegible] Rs 4.3.3 being amount [illegible] out of the sum realized by Court Amin in execution of the above decree.—

2. Read also the Amin's Returns [illegible] the Return of the Head Gomastah to the order issued to him by the Court as well as the deposition given by them and the Amin.

3. From the above papers it appears that [illegible] Kellappan, a [illegible] of the Court [illegible] Rs 16.12.0 in execution of the said decree & delivered the amount to the Head Gomastah on the morning of the 21st February last.

4. In the Amin's statement I read that when he produced the money in Court, [illegible] happened to be [illegible] there, and offered to remit the amount & the Head Gomastah told him (the Amin) that payment could be made then, and that therefore he could not apply for a cheque to [illegible] unable to deposit the amount into the Revenue Treasury as required by Circular Order of 16th [illegible] 1878 issued to the [illegible] Amins of this Court, upon which of the [illegible] Court [illegible] 1880 [illegible] by the same [illegible] accounts and Returns were given back to him for amendment [illegible] states that the interlineation of the sum realized "in letters" in the Return was made by him of his own action; & ignores the interpolation of dates in Nos 2 and 5.—

5. The Head Gomastah, on the other hand, conveniently forgets the exact date the amount was paid in Court & states that as the accounts [illegible] Return of the Amin bore no date, & the amount realized by him was not entered "in letters and figures", he returned the account for correction, but does not recollect when these were afterwards re-presented, though he remembers having prepared a Cheque for payment of the amount into the Revenue Treasury, which however he has been unable to produce.—

6. The version of the case as stated by the Amin seems to me to be more probable, while the Return of the Head Gomastah to the order issued to him does not to my mind savor of truthfulness. For, had a Cheque for payment of the amount into the Revenue Treasury been actually drawn out by him, it is improbable that he would have mislaid it.—

7. However this may be, there is the unchallenged fact that the amount was received by the Head Gomastah and the papers now before me prove that it was paid in Court on the 21st February. It was therefore clearly the duty of the Head Gomastah to have entered the amount in the Cash Book & Ledger on that very day and brought the [illegible] of [illegible] with the vouchers next morning, as is done with all other Cash transactions. He not only failed to do this but has also been guilty of making false reports to me every day from the 22nd February to the 1st instant (inclusive) that he had no money in his hands belonging to suitors, as I made it a rule to make daily inquiries of him about moneys paid in Court since the order of the High Court was received, because I had found he had kept some monies belonging to suitors in his hands when the order was received and I had them all deposited in the Treasury. His excuse that the failure to enter the receipt of the money in the Cash Book and report the matter to me was through forgetfulness deserves not a moment's consideration.

8. The first intimation I had of the payment of the amount in Court was when the Petition was read in Court on the [illegible] instant, a few minutes after I had initialled the

Certified that I have carefully examined Balla Ragunnah son of B Palliah a Warder in the Jail Department

His age is, by his own statement, 50 years, and by appearance, about 55 years

I consider B Ragunnah to be completely and permanently incapacitated for further service of any kind, or in the Department to which he belongs, in consequence of Old age and worn out *

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

Proceedings of the Madras Government

From the Inspector General of Jails dated 11th Nov 1879 No 6045

" Actg Accountant General dated 5th May 1880 No 384

Order thereon 4th June 1880 No 498

C. No. 757.

The Govr in Council is pleased to grant to Balla Linganna late Hd Warder Distr Jail Vizagapatam an invalid pension of Rs 4 per mensem payable from the 1st Oct 79 in consideration of his qualifying inferior service of 29$^{\text{yrs}}$ - 11$^{\text{ms}}$ - 27$^{\text{ds}}$. subject to ~~the~~ confirmation by the Govt of India.

2. The Govt note that this application was submitted by the medical

officer in charge of the Dist. Jail in admitted "ignorance of the rule" that pension is only admissible after thirty years service in the case of ~~the~~ inferior servants & desire that the Insp. Genl. of Jails will take measures to ensure that all Supts. of Jails make themselves fully acquainted with the rules of the C. Pens. Code.×

3. It is observed that the application

Note

× The case is a bad one. The medical officer removed the man on his own certificate tho. three days more were wanting to his service & failed to get a second opinion tho this is required in the case of a man under 55. He admits the man had no disease &

was received in the Acct Genl's office on the 16 Nov 79 but that the first reference regarding it was not made ~~upon~~ until the 27th Feby 80 ~~and~~ ~~[illegible]~~ replied to by the Supt. of the Jail until the 11th April. These lengthy delays were apparently altogether unnecessary and the case thus did not reach Govt. until upwards of seven months after the applicant's removal from the service
