Sir

With reference to your docket No. 3658/552 of the 22nd Ultimo enclosing a memo from the Accountant General, I have the honour to state that late Head Surveyor, K. Lakshmana Rao was relieved from suspension on the afternoon of 23rd May 1878, as shewn in his Service Book, and subsequently on that evening discharged on reduction of Establishment.

2. His suspension had nothing to do whatever with his discharge from the Department. This had long been contemplated on account of his extreme obesity, and the Superintendent of Survey in his letter No. 1533/219 of 10th May sanctioned his discharge on reduction of Establishment.

3. The several rates of pay drawn by the applicant during the last five years of his service should be considered as consolidated and including the tentage of ten rupees per mensem in accordance with G. O. G. I of 8th February 1862, although the latter by mistake was shewn separately in the

Pay Bills until the receipt of your circular No. $\frac{2239}{140}$ of 28th August 1874.

4. A copy of the Proceedings in connection with his suspension is enclosed, as also that of a docket to the Assistant Superintendent directing his discharge on reduction of Establishment from the date of his return to duty.

The Accountant General's Memo and the Head Surveyor's Service book are returned.

Memo of enquiry into charge made against Head Surveyor Lingaravaloo Moodelly by the Acting 1st Assistant Superintendent Revenue Survey

Charge. Head Surveyor Lingaravaloo Moodelly is charged with having made a false statement with reference to his Inspector Head Surveyor Lutchman Rao by stating that Lutchman Rao had issued orders for the removal of Head Gumasta K. Paupiah from his range without having given him any previous intimation or official order regarding the same up to date & that he was in the habit of issuing & receiving records from Field hands in the same manner.

Summary

Summary of Evidence

Inspector Head Surveyor Lutchman Rao states, I produced the office records of my station I sent Yadast No 74 dated 6th April /78 wherein I call upon Head Surveyor Singaravaloo Moodelly to state if he can spare a couple or at least one Head Gumasta from the ninth Circuit, for such subordinates are required, or is there sufficient employment for those that are now under you.

On the 7th April /78, I wrote to K. Paupiah, Head Gumasta, directing him on completion of work in hand to proceed to the 1st 2nd & 3rd Circuits for the purpose of passing stones. I am unable to produce any record in my station, that I have informed Head Surveyor Singaravaloo Moodelly of this fact I have not done so.

As

As a rule I have always kept Singaravaloo Moodelly informed of all records issued & received, perhaps in one or two instances I may have failed to do so, as he has no Station Gumasta all completed records are received direct from the field into my station.

Reply of accused

I have not made a false statement against Inspector Lutchman Rao. The evidence adduced by the Inspector & his Station Gumasta are sufficient to clear me from the charge preferred against me.

Decision

Head Surveyor Lingaravaloo Moodelly will remain under suspension pending the orders of the Deputy Superintendent. The order regarding his suspension was communicated to him on the evening of the

the 7th May 1878

I fail to see that the charge preferred against him has been established. This case reflects great carelessness on the part of Inspector Lutchman Rao.

The Secretary to Government,
Revenue Department

Sir,

With reference to the proceedings of Government in the Revenue Department No. 1036 dated the 13 May 1879, I have the honor to state for the information of Government that it was specifically stated in the note at foot of page 3 of the original scale of Pay sanctioned for the establishment of the Revenue Survey Department by Government in their Extract Minutes of Consultation No. 328 of 12th March 1858, Revenue Department, that the rates of pay therein fixed for the several subordinates included fixed Travelling allowance, and that, these same rates were maintained in the scale sanctioned by the Government of India in Resolution No. 1244 dated the 8th February 1862, embodied in

Madras Government Order No 573 dated the 14 March 1862 Revenue; it was in Consequence of this that this office expressed the opinion that the amount of fixed travelling allowance should be deducted in calculating the pension of Survey Subordinates and accordingly requested the Superintendent of Revenue Survey to show in the case under reference in the Register of application for Pension, the amount of fixed travelling allowance separately from pay proper.

2. Should His Grace the Governor in Council however be of opinion that the travelling allowance need not be deducted in the Calculation of the pension in question, I beg respectfully to request that, the decision of this Government may be referred to the Government of India for Confirmation with reference to their Resolution No 3250 dated the 27 December 1871 Financial.

CERTIFICATE AND REPORT OF ACCOUNTANT GENERAL.

CERTIFIED that (~~subject to the remarks below recorded~~) qualifying service in {~~inferior~~ superior} grades has been duly proved for 20 years 1 months and 5 days; and that a Compensation {pension ~~gratuity~~} not exceeding Rs. 29 10 4 per mensem, equal to one third of the applicant's average emoluments, is admissible under Sections 59 & 68 (b) of the Civil Pension Code, 4 Edition. The calculations have been duly verified. It is observed that the amount of pension herein recommended has been calculated on the several rates of pay less fixed tentage of Rs 10 per mensem drawn by the applicant during the last 5 years of his service (vide para 3 of Dy Superintendent's letter No 3736/1050 dated 12 Nov 1878 and rule 2 Section 81 of the Civil Pension Code. This deduction has been made on the assumption that the views expressed in this Office letter No 2206 dated 3 June 1879 will be accepted by Government

With reference to rule 1 Section 59 of the Code the Deputy Superintendent of Revenue Survey states that the applicant was unfit either for office or field duties, and that the number of Head Surveyors in the Party in which he was employed was in excess of that allowed by the new Scale, and in accordance with rule 6 of the same Section he reports that the amount of saving resulted to Government from the abolition of the applicant's appointment was Rs [illegible]

It will be seen from the remarks of the Deputy Superintendent of Revenue Survey placed opposite to No 1 and 2 on the 3 page of the Register of application that the Character and passed Conduct of the applicant were not thoroughly satisfactory. It rests therefore with Government to make such reduction in the amount of Pension that may be sanctioned as it may think proper. Vide rule 1 Section 22 of the Code

The delay that has occurred in the submission of this report is due to several unavoidable references on the subject of the necessity of shewing the amount of Fixed Tentage drawn by the applicant separately from his Pay proper. The allowance was not so shown by the Superintendent Revenue Survey in the original application submitted to this office.

The particulars required by rules 1 and 6 under Section 59 of the Code were given in this Office report on the case No. AJ/246 dated the 30th July 1879.
