1. The Salt Dy collector, South Arcot reports that Saminaden has no house name and that before he settled himself in Chinnampattinam account of employment in the Salt Pans he and his father lived in Karamungudi (Madanambakum Taluk).
2. The applicant's service has been verified by the Salt Dy collector South Arcot from the records of his Office and of the Merchants Factory.
3. The delay of 5½ months in submitting the application was due to pressure of work in the Dy collector's Office.
4. As desired in the Accountant General's letter No. J. A. G. dated 23rd August 1879, a reference was made to Surgeon Chatterjee the medical Officer who first examined Saminaden and declared him unfit for further service, and a copy of his reply No. 72 dated 13th October 1879 from Tongjee is enclosed. It was to be expected from the long interval that has elapsed, Surgeon Chatterjee states that he cannot now remember anything about the physical condition of the applicant when he examined him and cannot therefore give in detail his reasons for certifying him to be unfit for further service. On referring however to the medical certificate granted by him

him at the time and a copy of which was sent to him for reference, he is of opinion that the applicant "must have appeared" to him "very old and worn out and quite unfit for further service in the Department to which he belongs."

My own opinion is given in my letter to the Medical Officer then in charge at Cuddalore No 1096 dated 24th August 1878 and a copy of which was furnished to you with my letter No 6414 dated 12th August 1879. Under these circumstances and with reference to para 2 of the Accountant General's letter No 1046 dated 8th July 1879, I trust that the opinion of the first Medical Officer Dr. Chatterjee who examined Eaminaden may be accepted as prima facie sufficient to prove his unfitness for further service.

The enclosures received with your letter No 1046 of 3rd April 1879, are herewith returned.

son of Therumaly a Measurer in the
South Department. His age is, by his own statement, 45 years, and, by
appearance about 55 years. I consider Sawmy Nathan to be
completely and permanently incapacitated for further service of any kind in the
Department to which he belongs, in consequence of Old age & General debility.
His incapacity does not appear to me to have been caused by irregular or
intemperate habits.

Sir,

I have the honor to acknowledge receipt of your letter dated Mertham the 24th August 1879 and Madras dated the 12th September 1879 respectively with enclosure, and beg to reply as under.

2. Messrs. Gaminaden of the Salt Department must have been examined by me more than 13 months ago and now I remember nothing of his physical condition when I examined him, so much so that I do not think I could even identify the man if I saw him after such a long interval. Consequently, it is impossible for me to give in detail my reasons for certifying him unfit for further service, as requested by you, unless I personally see him now.

3. However, by looking at the certificate with which I furnished
