Retirements

Read the following papers:—

No 417. From His Grace the Duke of Argyll, K.T., Her Majesty's Secretary of State for India, to His Excellency the Right Honorable the Governor General of Ind in Council; dated India Office, London, 30th August 1873, No 106 (Public.)

The despatch of your Excellency in Council, dated the 16th of June, No 42 of 1873, relative to the rule which requires officers in civil employ to retire at the age of 55 years, and to the specific cas of × × × × × has been considered by me in Council.

2. Having given my best attention in Council to your despatch and its accompaniments, I concur in the opinion of your Lordship's Government that the rule in question should be strictly enforced, unless the retire-

-ment of any officer should be considered by the Government under which he is serving to be injurious to the public interests. I therefore agree with Your Excellency in Council that while × × × appears to be a useful and experienced officer, his case is not one of which should form an exception to the existing rule; and I desire that you will communicate your decision in this sense to the Government of Bengal accordingly.

Military Department Simla,

Copy of the foregoing forwarded to the Secretary to Government Fort Saint George, Military Department, for the information of the Right Honorable the Governor in Council.

Sir,

I have the honor to forward herewith an application for invalid pension on behalf of Gajjivelli Gopalrow, late of Revenue Inspector of the Ellore Taluk.

2. His services in Superior Grades commenced on 12th November 1862 and ended on 4th May 1879.

3. He is over 60 years old and being physically unfit for further service chose to retire voluntarily.

yrs. m. d
4. His Superior Service is 16. 3. 11 without any breaks. It is verified by the records of this office with the exception of six months, viz, August 1866. I am of opinion that he was in service in that

months as his name appears in the pay abstracts of the preceding and succeeding months.

5. It is also proved by his affidavit and the statements of his contemporary servants, translations of which are herein enclosed.

6. I beg therefore to recommend him to 1/3 pension, viz. Rs 8-5-4

7. The service previous to 12th November 1862 appertains to unqualifying grades.

8. On the 1st of April 1874, his services were dispensed with under G.O. of the 20th November 1873 No. 170, Revenue Department, as his age then exceeded 55 years but as he was found fit for further service he was again reinstated on the 19th November of that year when the orders were finally revoked.

G.O. dated 28th Sept. 1874 No. 2790 communicated in the Pro. of the Bd. of Rev. dated 2nd Nov. 74 No. 7618

9. Consequently he drew half pay during that period which was shown in the Supplemental pay abstract sent to you on 28th April 187[illegible]

10. His Service Register had not been properly prepared. His service in the Kistna District had to be verified through the Collector of that District and reference had to be made for the evidence of the contemporary employees being taken. Hence the delay in submitting this application.

11. The Service Register is also forwarded.

24th April 1880

From,

To,

The Accountant General,
Madras.

Sir,

I have the honor to return the Service Register and the History of Service of Gajavalli Gopalrao late Revenue Inspector of the Ellore Taluk, the necessary alterations having been made therein in accordance with para 1 of your letter.

I beg to mention here in some detail the circumstances under which Gopalrao's services were dispensed with on 1st April and reinstated on 19th November 1874. Gopalrao and two others having at the time passed the age of 55 years, I thought myself compelled under G.O. dated 28th November 1873, No 176, communicated with Board's

Proceedings dated 12th December 1873, Miscellaneous No 8535 to dispense with their services, and did so with a view to their being superannuated, though they were not unfit for further service. On my forwarding the application for pension on behalf of Patri Narsingarao, one of the other two individuals, the then Accountant General sent me a copy of the G. O. dated 5th March 1874, No 366, Financial Department with his letter dated 31st July 1874, to shew that the Order referred to above was only applicable to Covenanted Civil Servants and to Military and Naval Officers but not to Uncovenanted Servants, and the application for pension was considered inadmiſsable unleſs I certified as to the inefficiency of the individual owing to age or infirmity which I could not do under the circumstances. The matter was then submitted for the orders of Government who directed that the 3 persons should be reinstated

as

as they were fit for further service.— Copies of the Orders required in para 2 of your letter are enclosed—

With reference to the latter part of your letter under reply, I beg to state that since Gopalrao's services were thus dispensed with owing to misapprehension of the Orders of Government, but through no fault of his and he was consequently without employ for a period of 7 months and 18 days for which he received half pay as sanctioned by Government in their order dated 3rd April 1875, No 648 communicated with Board's Proceedings dated 10th April 1875— Miscellaneous No 2806. I think it is nothing but equitable that that period should be allowed to count for pension. No orders of Government were obtained for this, but I am not aware that any prohibition in the Pension Code applies to the present case since he drew half pay for the period he cannot strictly be considered to have been without a substantive appointment. I beg however to observe that this question will not affect the pension to which the individual is entitled as the period of his qualifying service does not fall short of 15 years even if the said period cannot count for pension.

I have the honor to be,
Sir,
