GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

1st June 1880, No. 1306.

Police.

Read the following papers :—

No. 7. *From Colonel C. S. HEARN, C.I.E., Inspector-General of Police, to the Chief Secretary to Government, dated Madras, 4th May 1880, No. 2045.*

With reference to the enclosed letter, No. 2012, of the 20th April 1880, from the Surgeon-General, Civil Medical Department, suggesting to move Government with a view to obtain their sanction for members of Police Force being brought before Military Medical Boards, I have the honor to inquire whether Government will be prepared hereafter in all cases to accept the certificate of a single medical officer where the services of a second medical officer cannot be easily obtained in accordance with the provisions of Section 62 (d) of the Civil Pension Code and within the limit there laid down.

2. G.O., No. 493, dated 9th April 1872, Judicial Department, applies only to the cases of men declared unfit for further duty by local medical officers shortly after the Annual Invaliding Committee has finished its work.

ENCLOSURE No. 1.

From Surgeon-General W. R. CORNISH, F.R.C.S., Civil Medical Department, to the Inspector-General of Police, dated Fort St. George, 20th April 1880, No. 2012.

I have the honor to inform you, with reference to the enclosed letter (to be returned), that it will be impracticable to assemble a Civil Medical Board in districts where there is only a Civil Surgeon.

2. I would suggest, for your consideration, that a reference might be made to Government to know whether members of the Police Force might not be brought before Military Medical Boards, at stations where they can be formed, for invaliding and pension.

ENCLOSURE No. 2.

From Major G. CHRYSTIE, Superintendent of Police, Bellary, to the Deputy Surgeon-General, Indian Medical Department, Bangalore, dated 13th April 1880, No. 133-322.

I have the honor to state that the Civil Surgeon in charge of Police Hospital has reported that he considers Constable No. 1024 of this district to be unfit for further service, and request that you will be so good as to order a Medical Committee to examine him as well as any more there may be to put before it.

No. 8. *From Surgeon-General W. R. CORNISH, F.R.C.S., Civil Medical Department, to the Chief Secretary to Government, dated Fort St. George, 17th May 1880, No. 248.*

With reference to your memorandum, No. 1069, Judicial Department, of the 13th instant, I have the honor to state that unless mixed Committees of Military and Civil Medical Officers are appointed for the invaliding of Police, I do not see how it is to be done.

2. At present there is only one commissioned officer (the Civil Surgeon) in the great bulk of the districts subject to my authority, and the Deputy Surgeons-General now belong entirely to the Army Medical Department.

3. So far as I am aware, Deputy Surgeons-General of the Indian Medical Department took part in Police Committees up to the 1st April, when the new system of administration came into force.

No. 9.

ORDER THEREON, 1st June 1880, No. 1306.

The Inspector-General of Police will be informed that the certificate of a single medical officer will be accepted where a second medical officer is not available.
