From,

To.

A. C. Tupp Esquire,
Offg: Accountant General,
Madras.

Sir.

With reference to the questions proposed in your office memo No. $\frac{A.D.K}{372}$, of the 10th Ultimo, regarding the application for pension on behalf of Narasing the late Duffadar of my Court, I have the honor to state that

1. The Country or house name of the applicant & his father is Virudachalam in the district of South Arcot.

2. The applicants services from 1836 to 1842 were rejected as it was thought that there may have been the possibility of some break in his services during that period as the dates given by him in his Register do not show precisely on what day of the month his appointments commenced and

ended and because independent of the services from 1836 to 1842 the applicant had earned the maximum period which entitles him to the proposed pension.

3. The establishment of the Additional P. S. Amin's Court, Tinnevelly, to which the applicant was attached as Duffadar from 1st January 1870 to 6th July 1871 was a permanent one as the establishment was virtually that of the P. S. Amin's Court, Tanjore, and was only temporarily and for a year and a half attached to the Court of the Additional P. S. Amin's Court, Tinnevelly. Vide. G. O. No. 797 dated 16th June 1871.

4. The applicant would have been removed even if my establishment had not been revised and there is not the least objection for the term "Compensation" in page 1 of the application being altered into "Invalid". The necessary alteration has been made in the application under my initial.

5. The services were all scrutinized & already and again and are borne out by the records of this office, but the verification by myself in Column "How verified" was thought unnecessary, since the services were once stated by me and accepted by you as borne out by your records.

6. The required corrections are made in the applicant's service Register.

7. The services claimed by the applicant and not borne out by the records may, in my opinion, be admitted, as I believe them to be correct & as they are borne out by the sworn statements I had caused to be taken from the applicant himself as also from his contemporary servants (forwarded to you on the 15th July last) as required by Section 84 Rule 5 of the Civil Pension Code, 4th Edition, there being no other means of ascertaining the correctness of this period of his services.

8. The application for pension & the service Register of the applicant are herewith re-transmitted together with a last Pay certificate.

I have the honor to be
Sir,
Your most obedient servant

Affidavit.

Before the Subordinate Court of South Tanjore.

Statement on oath given by Narasing, the late Duffadar of the said Court.

I entered the Government service in this Court in quality of Daloyet in 1836. & I have since then been in continuous employ. I do not remember of having been on leave or forfeiture of pay. The fact of my having been a Duffadar since 1855 could be seen by a perusal of the certificate given to me by the Honorable Mr. Justice Innes, the present Judge of the High Court & a Sub Judge in 1858 & entered in my service Register. Besides that, I am not in possession of any other voucher (to prove my service).

I heard this read & it is correct.

Previous to 1855 I was in Government employ as Court peon on a pay of Rs 5-4-" a month. It is this which I said was the post of Daloyet.
