Capitalized Pension.

Proceedings of Government, Pension Department, dated 25th March 1880, No. 259.

Read also the following papers:—

From Major D. H. TRAIL, R.E., Officiating Examiner of Public Works Accounts, to the Secretary to Government, Pension Department (through the Accountant-General), dated Madras, 19th May 1880, No. 133-P.

In returning the enclosures received with your memorandum, No. 467, dated the 1st April 1880, I have the honor to forward herewith a memorandum of the amount of the capitalized value of the pension sanctioned for retired Overseer Mr. P. Nery, in G.O., Pension Department, No. 259, dated 25th March 1880.

2. It is doubtful, however, now that the financial year (1879-80) has expired, whether Mr. Nery is entitled to capitalize the value of his pension without the special orders of the Government of India, and the amount now recommended should be considered to hold good only, if it is decided that such amounts can be paid within the current financial year (1880-81). Attention is drawn to this office letter, No. 1788, dated 22nd May 1880.

ENCLOSURE No. 2.

From Mr. P. NERY, Executive Overseer, Department of Public Works, to the Under Secretary to the Government, Pension Department, dated Cochin, 30th March 1880.

In acknowledging receipt of the G.O., dated 25th March 1880, No. 259, informing me that His Grace the Governor in Council has been pleased to grant me a compensation pension of

Rs. 10-7-11 per mensem, I very respectfully beg you will be pleased to lay before Government the fact that taking advantage of the concession of the Government of India for those under ten years' service of the option of capitalizing their pension annuity, I had applied (through the Executive Engineer, Coimbatore), for the capitalization of such pension as may be passed to me.

2. On the 23rd instant I received, through the Executive Engineer, Coimbatore Division, a requisition from the Examiner of Public Works Accounts to forward a medical certificate of my having the prospect of an average duration of life; this I obtained from the Civil Surgeon here on the 25th instant, and forwarded it on to the Executive Engineer, Coimbatore Division, under a registered cover on the same day.

3. Under the very painful circumstance this late reduction has thrown me into, with a large and increasing family to support, I very earnestly beg that the capitalization of my annuity may be at once sanctioned.

4. In case there has been any delay, I very respectfully beg to state that the fault is not on my side. I therefore humbly trust that, in addition to the very severe blow sustained by this late reduction, I and my family may not be deprived of that great boon a thoughtful and paternal Government have conceded to the unfortunate upper subordinates of the Public Works Department of capitalizing the pension annuity; but that the Government of His Grace the Duke of Buckingham and Chandos will be pleased in justice and charity to at once order the payment of the capitalized value of the pension that has been graciously granted to me.

5. Copy of the Surgeon's certificate is appended below.

6. Awaiting early orders thereon.
