No. 459

From
The Acting Collector
of Cuddapah.

To
The Accountant General
Fort Saint George.

Sir,

I have the honor to forward herewith an application for pension on behalf of one Darvesh ahmad lately a revenue peon in the Taluq of Badvel, together with his service register.

2. This peon was originally permitted to resign the service from the 1st July 1877, on account of old age, he having made a request to that effect and further that his son should be appointed to succeed him.

3. Subsequently, in the month of October 1877, he applied for pension. A reference had to be made to the Tahsildar, as to the identity of the individual, as there were two of the same name in the Taluq, and the Tahsildar reported as to his identity on the 12th November 1877. After that a complete list of the applicant's services was made out, and the pension application was drawn up, but instead of its being submitted without delay,

as

as it might have been, the whole business appears to have been lost sight of and forgotten, until the 28th January 1880, when the individual himself made his appearance. Then a search was made, and the papers connected with his case were found amongst the records. The application would in all likelihood have gone on, when originally prepared in the early part of 1878, were it not that the then head clerk or some one else got it into his head that a medical certificate of the peons unfitness for further service was required (this of course was quite unnecessary as the man was over 60 years of age when he left the service) and it was then decided to send for him for the purpose of getting one, but for some inexplicable cause, the whole affair, as I have above stated, dropped into oblivion, and would probably have remained so still, had not the party interested made his appearance.

4. I beg to forward for your information, a report which I have called for and received from the Treasury Deputy Collector on this subject. The explanations of the various clerks concerned, of which he gives a precis, are of course highly unsatisfactory. I shall take due notice of their conduct, and shall take step which I hope will effectually prevent the recurre of such a discreditable state of things in futur

I have the honor to be,

To

S. T. Mc Carthy Esquire
Ag Collector of Cuddapah

Sir,

With reference to your docket No 295, dated 10 Instant calling for an explanation as to the delay that has occurred in submitting the pension application of Darvish Hammud late Revenue Peon of Badvail Talug, I have made full and careful enquiry into the matter the result of which I beg to report as follows:—

2. Darvish Hammud's application for pension dated 9th October 1877 was received on the 10th of the same month. On the 17th October 1877 it was referred to the then Treasury Deputy Collector who sent it on to the Vernacular Record Keeper on the same day for preparing a list of his services.

3. On the 5th December 1877 the Vernacular Record Keeper reported to the Collector by Arzee No 28 that there were 2 peons of that name and requested to know to which of them the application referred.

4. On this an order was sent by the Collector

to

to the Tahsildar of Badvel on the 1st November 1877 asking him to furnish the required information. His reply was received on the 13th November 1877. It was then sent to the Vernacular Record Keeper who sent the list of Services to the Collector on the 8th January 1878.

5. The whole correspondence was then sent by the Huzur Sheristadar's Department to the English correspondence Department on the 25th January 1878.

6. On 28th February 1878 a letter was sent to the Zillah Surgeon signed by Mr. Gillon who was then in charge of the Head Quarters Office requesting to know whether a certificate as to the competency of the peon in question for further Service was granted. His reply was received on the 2d March 1878, informing that no such certificate was granted.

7. From a pencil remark on the rough pension application the reply received from the Zillah Surgeon and also the list of Services received from the Vernacular Record Keeper appear to have been sent to the Huzur Sheristadar apparently for some reference, but for what reference there is nothing to show in the remark.

8. The rough pension application and the pencil remark on it are in the hand writing of the 3d. English Clerk Nagasa Row. He, on enquiry states that the said papers were sent to the Huzur Sheristadar under the instructions of the then Head Clerk with a view of preparing orders to the Tahsildar of Budvel to direct Darvish Hummud to appear before the Zillah Surgeon for examination.

9. On a reference to the registers and other papers in the Huzur Sheristadar's Office, there is nothing to show that the said two papers were received in that Department or that an order was sent to Badvel Tahsildar directing him to order Darwaish Ahmed to appear before Zillah Surgeon.

10. From the records in the Office the matter in question appears to have been kept in view up to 6th March 1878, from which date no further steps have been evidently taken in the same.

11. On the 28th January 1880, the peon in question appeared in person and requested to know whether sanction was received about his pension. On this the present Head Clerk made a search into the records and found among the disposed of bundles of 1878 the papers in connection with the pension in question with the exception of the draft letter to the Zillah Surgeon his reply thereto and the Vernacular Record Keeper's memo of Service. But the first of these has since been found in a separate bundle. The other two papers are not still forthcoming. The non-submiſsion of the pension application to the Accountant General was brought to your notice as soon as it was known.

12. The present English Head Clerk in his written explanation states that he aſsumed charge of his Office on or about the 17th April 1878, that his predeceſsor now English Head Clerk of Chinglepet Collectorate having been sick at the time did not deliver all the papers to him in person, but that he (the present Head Clerk) took charge of all the papers that were in the desk according to the register of unanswered papers in which the pension application in question was not entered.

13. He further states that none of the Clerks in the Office brought the fact of this application having been received to his notice and that he became aware of it only on the

the appearance of the party on the 28th January 1880.

14. The 3rd English Clerk who prepared the rough application for pension in February 1878, states that under the directions of the then Head Clerk he sent the Zillah Surgeon's reply and some other papers to the Sheristadar's Department with a view to have orders issued for the appearance of the person in question before the Zillah Surgeon, that he delivered the rest of the papers on the subject to him (the then Head Clerk) and that then he went on leave for one month from 7th March 1878. He further states that after his return from leave on the 5th April 1678 he remained till 25th April in the Head Quarters attending to miscellaneous work, that from 28th April he followed the circuit office after delivering the papers in his charge to another Clerk named Pudmanaba Row, that he did not return till about the end of July 1878 and that on his return from Circuit he was detailed to the Press Department.

5. The 7th Clerk Pudmanaba Row admits the fact of having received all the papers from Nagasa Row 3rd Clerk, but states that these papers consisted of only periodical returns, and that he knows nothing about the application in question,

16. On enquiry I learn that one Ramasawmy, who was then an Acting Clerk was in charge of the records. He states that he was appointed as an acting Clerk in February 1878, that as he was quite new to the work he was employed in fair copying letters &c. and that the work of picking out references and arranging the record was attended to by other Clerks.

17. The other Clerks in the Office know nothing of the matter. Most of them have only recently been taken on in that Department.

18. This is all what I can gather from the records and from my enquiry in the Office. Now it remains to be seen who is to blame for the delay.

19. As far as the Vernacular Correspondence Department is concerned, there seems to be no delay. After getting all the necessary information about the Service &c. of the party, the whole correspondence was transferred to the English Correspondence Department.

20. After receiving the papers in the English correspondence Depatment the rough and fair Copies of the pension application were prepared in February 1878, but they have not been despatched under some misunderstanding that a medical certificate of unfitness should accompany the application. Then owing to change of Clerks as well as of the head of the Department the subject was entirely lost sight of and no further steps were taken.

21. The whole delay I am led to think has occurred entirely in the English Correspondence Department, and it would not have accurred had the subject in question been duly entered in the receive Register and kept on in the list of unanswered papers. This omission should have been noticed by the then English Head Clerk, but on enquiry I learn that he was compelled by severe illness to proceed to Madras all on a sudden on medical certificate and that therefore he had no opportunity of making over all papers in his charge

to

to his successor in due Course. He did not return afterwards, he having got a posting as English Head Clerk in the Chengleput Collectorate.

22. I beg to submit herewith the written explanation obtained from the English Head Clerk and three other Clerks.

I have &c
