From Major D. H. Trail R. E.

To All Superintending Engineers
Superintendent of Works & Executive Engineers

Madras 12th July 1880

Sir

As applications for Pensions and gratuities on behalf of subordinates who have been retired under the general recent reduction of Public Works Establishment are in some cases not being submitted in so complete a state as to admit of their being at once finally disposed of by this office, and as it is highly desirable that all such applications should have the final orders of Government in the Pension Department passed on them on an early date so as to mitigate as much as possible the hardships which the individuals concerned would otherwise be subjected to by delays, I have the honor to request that in the preparation of future applications, particular attention may be paid to the following points, and I shall feel much obliged by your ——"—— rendering your earnest and hearty co-operation in having these points attended to with due strictness.

Points to be attended to.

(a). The entries in the Pension or gratuity application should invariably be made to correspond-

the names of incumbents in inferior grades, and therefore no useful verification of any portion of their Services can be effected by this office except by comparison of the Statements with the Acquittance Rolls which are sometimes misleading), hence it is requested that in such cases the services and claims should be particularly scrutinized and verified before submission to this Office for disposal.

(b) With reference to Section 53 b. P. b. the periods of all authorized leave granted to inferior Servants should be reckoned as Service, and not classed as non-qualifying.

2. A complete list giving the names of all retired Subordinates on whose behalf applications for Pensions or Gratuities have not yet been submitted, should be at once furnished to this office, and every endeavour made to complete as speedily as possible with strict reference to the foregoing remarks all such applications.

3. A copy of this communication will be sent to the Chief Engineer and Government in the Pension Department for information and for such further action as they may consider necessary.

I have the honor to be,
Sir
Your most obedient Servant

From The ACCOUNTANT GENERAL
to the GOVERNMENT of MADRAS,

To The Secretary to Government
Pension Department

Sir, I have the honor to forward herewith copy of a Circular received from the Examiner Public Works Accounts issued to all superintending Engineers, Superintendent of Works and Executive Engineers, requesting their particular attention to certain points in the preparation of applications for Pensions and Gratuities, and to observe with reference to paragraph (g) of the Circular that the Confidential Medical reports prescribed in rule 5 Section 105 of the Civil Pension Code need not be sent in every case; but where it is not sent (having been deemed unnecessary by the Medical Officer) a formal report to the effect that the applicant appeared before a Medical Officer in view to his being examined as to whether he did or did not possess the normal

prospects

prospects of life should be submitted in every case in which the gratuity or commutation would yield a pension of more than Rs2 per mensem.

2. With this addition the Circular meets with my approval in all respects.-
