Verified from the Audit registers of this Office and found correct. The applicant's services were dispensed with in the general reduction of Public Works Establishments.

The gratuity admissible in lieu of notice under rule 2 section 56 of the Civil Pension Code is included by the Superintending Engineer in the amount of gratuity admissible under Section 68 (a) of the Civil Pension Code. but as it has been decided by Government vide G.O. (Pension Department) No. 675 dated 1st April 1889 that the former is debitable to the department in which the applicant was last employed (Public Works Department in the present case) the Superintending Engineer has been requested to take the necessary steps for its sanction by Government and payment and adjustment in this Department.

As the entire period of the applicant's services has been verified from the records of this Office, the specific Report and Opinion of the Head of Office prescribed in the amended rule 6 to Section 84 of the Civil Pension Code was considered unnecessary and has not been obtained.

The gratuity admissible to the applicant in lieu of notice, under rule 2 Section 59 of the Civil Pension Code, has been included by the Superintending Engineer in the amount of gratuity admissible under Section 68 (a) of the Civil Pension Code but as it has been decided by Government in G.O. Financial Department No 675 dated 1 April 1880 that the former is debitable to the Department in which the applicant was last employed (P.W. Department in the present case) the Superintending Engineer will be requested to issue the necessary instructions for its payment and adjustment in this Department.

The entries in the pension application and Service Book are incomplete and incorrect in certain cases, but as the entire period of the applicants qualifying service has been verified from the audit registers of this Office, the return of the documents for completion and correction was considered unnecessary, as only delaying the submission of the applicants papers for the orders of Government. For the same reason the specific report and opinion of the Head of Office prescribed in the amended rule 6 Section 84 of the Civil Pension Code
