CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

No 232/573 CERTIFIED that (~~subject to the remarks below recorded~~) qualifying service in {inferior / superior} grades has been duly proved for 10 years 6 months and 18 days; and that a Compensation {pension / gratuity} not exceeding Rs. 28 equal to 64 months' pay is admissible under Section 57 (a) of the Civil Pension Code. The calculations have been duly verified.

The gratuity sanctioned in G.O. No 234 of the 15th May 1875 for the service up to 1st June 1874 has not been drawn by the applicant as he obtained re-employment prior to the receipt of the sanction.

The amount of saving produced by the abolition of the applicant's post is the pay of the appointment. No suitable employment can be found elsewhere.

In accordance with rule 3 of Section 87, the attention of Government is respectfully solicited to Section 22 of the Code.

The delay in the submission of this application is explained by the Officer in charge of the Stipend Pay Office in his reply to this Office objection memo 428/211 of the 28th April 1880.

On enquiry the Sub Collector in charge of the Stipend Pay Office Vellore states that the applicant's Service Book accompanied his application which was forwarded to Government with this Office Report No 9 d. 22nd April 1875 on account of his liability sanctioned in G.O. No. 234 of 15th May 1875 and that his subsequent service would be entered in the Book if necessary on its being returned. No action has, however, been taken in reference to this request as correspondence on the subject will only cause delay in the disposal of the case.

The undersigned has the honor to enquire why, notwithstanding the grant of gratuity of Rs 18 sanctioned to the applicant by G.O. No 254 dated 15 May 1875 for his service as Doorkeeper in the said Mahals, that sum is not deducted from the amount of Gratuity now applied for, and why the entry opposite to No 3 in the 3rd page of the application is "nil".

The delay of more than three months in the submission of this application should also be explained.
