His Grace the Duke of Buckingham and Chandos.
G.C.S.I., C.I.E.
Governor and President in Council,
Fort Saint George.

The humble petition of Lazarus Antony, late an Accountant in the Executive Engineer's Office, Presidency Division.-

Respectfully Sheweth,

That your humble petitioner begs leave with due deference to represent to your Grace that his appointment as an Accountant in the Executive Engineer's Office, Presidency Division has been abolished on account of the reduction of Establishment ordered in the Department of Public Works, and that he has served Government for a period extending over 34 years, 11 of which are reckoned as inferior; and 23 as superior service- the latter only qualifying for pension.-

2- That in accordance with the rules published in the Civil Pension Code, your poor petitioner will obtain Rupees 10 or one third his average salary for 23 years' continuous service, instead of Rupees 15 or half his salary for 34 years service; and that he has lost 11 years service- an unfortunate circumstance over which he could exercise no possible control, he having been in receipt of a very small salary-

3- That in consideration of your humble petitioner having spent the youth and vigour of his life in the service of Government, he now very earnestly and respectfully solicits that your Grace will,

Colonel Chief Secretary to Govt

7L

will, as a special case, be kindly pleased to sanction Rupees 15 or half his average salary as pension for his long and faithful services, or permit him to continue working for two more years and thus entitle him to that allowance.-

4.- That throughout his service of 34 years your poor petitioner was only granted 3 months privilege leave and 2 months sick leave of absence.-

5.- That in conclusion, your humble petitioner trusts that your Grace will not send an old and tried servant of Government adrift into the wide cold world with an inadequate allowance, but that a commensurate pension will be accorded to him as a reward for his past good services, and thus enable him to pass the remainder of his declining years and increasing infirmity in peace and quietness.-

That your poor petitioner as in duty bound shall ever pray
