CERTIFICATE AND REPORT OF ACCOUNTANT GENERAL.

CERTIFIED that (~~subject to the remarks below recorded~~) qualifying service in {~~inferior~~ / superior} grades has been duly proved for ~~years~~ 9 months and 19 days; and that ~~a~~ calculations have been duly verified.

{~~pension~~ / gratuity} ~~not exceeding Rs.~~ no retiring allowance is admissible under Sections 64 & 68(2) of the Civil Pension Code. The Govt should Government with reference to the recommendations summarised by the Conservator of Forests in his letter No 94 dated 2 May 1878 herewith forwarded, and to the applicant's protest contained in the Service Book and in his petition to the Deputy Conservator of Forests dated 30 January 1878 against the view that he resigned his appointment subsequent to the Close of his legitimate period of Suspension from 3 December 1873 to 5 February 1874, be pleased to look upon the total period of unemployment from 3 December 1873 to 31 May 1877 as one of Suspension, Qualifying Service in Superior grades as calculated from 15 March 1866 (the date of re-employment after the period of dismissal following 23 Feby. 1863) will amount to 8 Years 6 months and 13 days and that an Invalid Gratuity not exceeding Rs 240 equal to 8 months' pay, will, subject to the remark in the following para, be admissible under the Sections above named.

Such concessions, however, it is respectfully pointed out, will need Special Confirmation by the Government of India.

It will be seen from the correspondence connected with the applicant's dismissal and Suspension, that the Character and past Conduct of the applicant have been unsatisfactory.

Although the Medical Certificate furnished, is dated 26 March 1878, the applicant was retained in the Service until the 21 idem.

The delay in reporting upon this application is due to unusually heavy work in the Department and difficulty experienced in referring to old vouchers for the verification of certain portions of the applicant's Service.

In accordance with rule 3 A Section 87, the attention of Government is respectfully solicited to Section 23 of the Code

restored to the Department in a lower and different branch under orders of the Board and Government.

2. It will be observed from the Correspondence, enclosed herein, that T. Mootoosawmy Pillay disputes only the last break in his service. The late Mr. Ross, Deputy Conservator of Forests, entered in the Overseer's Service Book that he resigned his appointment in the Department on the 5th Feby: 1874, which is now contested by Mootoosawmy Pillay, and hence this reference previous to submitting his papers for final disposal.

3. On the 12th May 1875, the Board of Revenue, in reviewing Mootoosawmy Pillay's Case, were of opinion that he should be restored to his appointment; that on the 8th June following, the Board approved of the Collector's proposal to reinstate the Overseer in a lower post than that which he formerly held in the department, and that on the 3d October 1876, the government ordered the re-employment of the Forester in the manner suggested by Mr. Weddenburn.

FROM THE ACCOUNTANT GENERAL
TO THE GOVERNMENT OF MADRAS,

TO THE Conservator of Forests

SIR,

I have the honor to state with reference to the enquiry in your letter No. 194 dated the 2nd Instant, that from the Correspondence which accompanied it, it does not appear that Muttoosawmy Pillay can reckon as service towards pension the period from 6th February 1874 to 30th May 1877, during which he was out of employ. His claim to reckon that period will however, be noticed in this office Report to Government upon the usual application for a retiring allowance.

I request that when forwarding the application you will be good enough to furnish this office with information on the following points. Viz

(1) What is the Cause of non-appearance of the Anamalai Forest Establishment in the Annual Returns of 1st May previous to 1878.

(2) From what Source was the Establishment paid.

(3) Whether Muttoosawmy Pillay's entire Service has been verified from records such as Pay bills or acquittance rolls

4 What was the Cause of dismissal of the

the applicant on the 23 February 1863.

(5) What was the cause of the applicant's suspension in the first instance in Dec/73

(6) Why the applicant is shown in the Service Book to have resigned his appointment on the 5 February 1874 while from letter of the Collector of Coimbatore received in Board's Secret Miscellaneous № 4203 of 12 May 1875 he appears to have been dismissed from the service.

(7) Why the applicant was not provided with a place even after the Board's Proceedings of 8 June 1875 was passed

(8) Whether any Correspondence took place between your Department or the Board and Government on the applicant's petition upon which G.O. dated 3 October 1876 Petition Department was issued. If so, please send Copies of Correspondence along with the following.

(a) True Copies of orders regarding the applicant's dismissal in 1863, and reinstatement in 1866.

(b) True Copy of order dismissing the applicant in 1874.

Answers to the queries of the Accountant General, as per his letter No. 1691 d/ 22nd May/78

Query No. (1) – Answer –

Charges incurred on account of the Anamalai Forest Establishment were not shown in the Annual accounts previous to 1858, as it appears that the accounts were in arrears up to the period.

No. 2. The Establishment was paid out of Working Charges.

No 3. The portion of Muthusawmy Pillay's service in this Division has been verified from Pay Bills and acquittance Rolls –

No 4. He was dismissed on the 23d February /63 for cutting timber in the Government Forests for his private purposes, and for using Government Carts and elephants to convey wood from the Colingode Nambidy's Forests for his own use –

No 5. The applicant was suspended in December /73 for insubordination, excess of power, false reports against his subordinates and for neglect of duty –

No. 6. In the Collector's letter recorded in the Proceedings quoted, it does not say that he was dismissed but that he was removed – The Collector qua Conservator ordered, rather recommended, him to retire and the applicant consented – Mr Peet's letter No: 1086 d/4th February /79 and Copy of the applicant's letter dated 26th February /74 (herewith attached) explain the point –

February 1879

The applicant was not provided with a post, as he requested to be allowed to retire prior to the date of this proceeding (Vide his letter attached) No. 7.

No Correspondence has taken place from his office — No. 8

True copies of orders are herewith attached — (a)

Proceedings of the Collector and Conservator of Forests, Coimbatore, under date the 5th February 1874.

Read letter from the Deputy Conservator of Mettoopolliem &c. Forests reporting against Overseer Moottoosawmy Pillay, and the written defence taken from the latter.

2. It is quite apparent that the overseer has not given satisfaction. there are a good many points into which it is not necessary to enter in detail. but which shewed ignorance of his position. such as impounding cattle, when grazing not in a reserve; personally interfering with customary rights of jungle produce collection; prosecuting ryots without sanction, quarrelling with a fuel contractor and allowing such quarrel to interfere with his public duty. there is on the one

Vide Dy Con'rs letter No. 409 dated 27th February 1874. recommending the Overseer to resign.

Enclosure

one hand, a mischievous activity displayed - and on the other hand, apparently a criminal neglect of duty, in not looking after the fuel reserve, which was allowed to be damaged by trespassing herds of cattle, wilfully driven into it notwithstanding proclamations, and local orders given by the Collector - which leads to the inference, that this Overseer connived at such trespass. So locally notorious did this appear, that the Sub-Magistrate when trying the case of trespass, which was clearly proved, considered that the offence had been condoned, as it had been allowed to be repeated on several occasions leading to the inference that it was tacitly, and perhaps, corruptly permitted by those, whose duty it was to prevent the same.

3. On looking into the past service of Mootoosawmy Pillay, it appears that he was dismissed in 1863, by Major Beddome, for using the Govt Carts and elephants to convey wood from the Collengode Numbudy's forests for his private use. Major Beddome writes to Captain Michael, 23rd February 1863, "Mootoosawmy's conduct for a long time" "has been such that I could not think of "giving him employ elsewhere." He did not appeal against this order. He was reinstated after 3 years, by Major Beddome, of the reasons for which there is no record.

4. As the Continuance of an Overseer, who, instead of helping the Dy. Conservator, appears to thwart, and to be continually writing voluminous letters against, him, does not appear for the public good; I Collector would recommend the Overseer in question, to retire, as he cannot be

permitted to return to his former post.

cause of his dismissal and suspension as I have no knowledge of these transactions, as I only know Mootoosawmy Pillay since he joined this office. Mootoosawmy Pillay objects to the remark made by the late Mr Rose in the Service Register that he had resigned his post. Mootoosawmy Pillay contends that he did not do so, but that he was directed by the Collector of Coimbatore who was then also the Conservator to retire from the service for which purpose he appeared before the District Medical officer, but was pronounced fit, and as the Collector did not reinstate him in his former position he was forced to appeal to the Board and Government, during the time his appeal was under consideration he was out of employ but did not resign the service.

Sir,

I beg to submit the following for your favorable consideration.

I beg to point out that there is a break in my service from 6th February 1874 to the 2nd of May 1877. This was occasioned by my having been *suspended by Mr. Rose Deputy Conservator of Forests North Coimbatore pending Orders from the Collector, who in Proceedings dated 5th February 1874 advised me to retire, but as I did not succeed in getting a Medical Certificate of my unfitness for Service I represented my case to the Collector who directed me to wait for a vacancy when I should be re appointed. On this I have laid my case before the Board of Revenue who in their Proceedings directed my immediate reinstatement. As this was not carried into Effect I appealed to Government and my case was referred to the Conservator of Forests and the result of this was my appointment to my

Under the circumstances above stated I beg to submit that in simple justice the whole of this period should be accounted towards my Service. Since the order of Suspension was not cancelled I consider myself as having been under Suspension up to the date of my re-employment and therefore beg to lay before you for your favorable consideration, my claim for Subsistance allowance for the whole period from 6th February 1874. to the End of May 1877 at the rate of ¾ pay of 60 Rupees per mensum.

Meets to warmly Pillay, Asst Overseer, Annamalays, has served 17 years in the Dept and fairly understands. He is very intelligent an excellent Accountant a good English Writer and a useful out door one when he is well. Long residence on the Anamalays has impaired his health and some less unhealthy climate should be selected for him to work in if possible. I am happy to afford this testimony to his general good conduct and assistance to me in operations and office works- Salem June 20/70 / Signed / A Dr Cowling Capt Dy Conservator of Forests / True copy / Dy Conservator of Forests Annamalais Range.		31/3/68	Promotion
