SIR,

I have the honor to forward, in the prescribed form, an application for gratuity on behalf of T. Srinivasa Iyengar, late Sheristadar at Trasanagri Factory in the Tanjore District.

2. The total period reckoned as service in the Inferior Scale amounts to 19-3-4 entitling the applicant to a gratuity of Rs 50 being 5 months salary under Sec 76a of the Civil Pension Code.

3. A medical certificate was obtained on the 5th July 1858 but as it was not in proper

19th December 179 which is herein
enclosed together with the Service

The delay in submitting
this application has not been
properly explained, but is probably
due to the same causes that are
mentioned in my Letter No. 99
dated January 1880. I have therefore
not delayed the application until
the Salt Dy Collector's explanation
is obtained but have warned
him to be more careful in future.

SIR,

I have the honour to forward herewith in the prescribed form, an application for invalid pension on behalf of one Ringasami Naidu, lately a vettiar at the Nedamaval Factory in the Tanjore District. His Service Register and the Medical certificate obtained are also sent.

2. The applicant appeared to be above 60 years of age and was found quite unfit for duty, and was placed out of employ on the 8th November 1878. When however the Service Register was completed and checked with the records in the Collector's Office it was found that the applicant wanted a few weeks to complete his sixtieth year and was accordingly sent

sent to the Gillah Surgeon for examination who declared him unfit for further service in his letter dated 8 January 1879. A formal certificate in the prescribed form was obtained from him on the 7th December 1879.

3. The delay in the submission of the application is, stated by the Deputy Collector to be due to several references which had to be made to the Treasury Deputy Collector, and the Salt Superintendents, regarding the verification of the particulars in the Service Books and to pressure of work in the office. He has been informed that the explanation is not satisfactory one.
