Read appeal Petition from Nadar Khan and Doraisami Naik against an order of the Head Assistant Collector, dated, 11th July 1866, dismissing them from their situations as Daloyets in his Katcherry in consequence of their being implicated with others in the theft of a box from his house.

Order

From a perusal of the summing up of the Sessions Judge of Tranquebar in this case, it appears that no evidence was adduced against appellants; the witnesses who previously had stated in the Taluk that they (appellants) were concerned in this robbery, having subsequently before the Sessions Court retracted those statements. The following are extracts from the Judge's summing up. "The 3rd Witness, the Police Inspector tells you that on the morning of the 10th June, he received a message from Mr. Burnell to the effect that a theft had been committed in his house on the previous night, and that on going

to

to the gentleman's Bangalow, he learnt the particulars already recorded in Mr. Burrell's deposition and received from him a list of the stolen property. This list does not bear Mr. Burrell's signature and the 3rd Witness accounts for this by saying that Mr. Burrell was too ill to be able to write, and that he therefore made rough notes of what he said and the Station Master subsequently drew out the list. Mr. Burrell however, tells you that on the 10th June he went to Church and I must leave it to you to determine how this can be consistent with his being too ill to affix his signature to a list. The 3rd Witness goes on to say that on the evening of the 10th he received from Mr. Burrell a leather cover to the lost box which had been found in the hedge of his garden and that having heard that same night that 1st Prisoner had been seen near the gentleman's Bangalow on the night of the theft, he apprehended him and searched his house. He tells you that nothing was found in his house but that on inspecting the backyard the impression was found in some rubbish which

seemed

seemed to correspond with the form and size of the lost box and which just fitted with the leather cover and that he learnt further on enquiry from the 1st Prisoner's son, 2nd Witness, that his father had on the night of the 9th June brought home something black under his arm and had at once taken it into the backyard and that the 2nd Witness subsequently made a similar declaration in the presence of Mr. Burrell and further said that his father had at a later date taken away the box for the purpose of placing it near Mr. Burrell's house and that this declaration was corroborated by the 4th and 5th Witnesses before Mr. Burrell".

* * * * *

No stolen property was discovered either on the persons or in the house of any of the Prisoners. Simply in the backyard of the 1st Prisoner's house an impression was found on some rubbish which appeared to correspond with the dimensions of the lost box; but this circumstance of itself is no evidence of the 1st Prisoner being guilty of the charge preferred against him.

The

The 2nd. 4th., 5th. and 6th. witnesses having denied their Taluk statements asserting that they were prepared without their knowledge or consent by the Police, the Case against the Prisoners rests on the hearsay testimony of the 3rd Witness."

Under the circumstances and taking their previous services into consideration, the Collector directs that applicants be restored to the public service, but at the same time orders that they change places respectively with Krishnasawmy Naik and Darmalinga Naik, Daloyets in the Sub Collector's Kutcherry, as he thinks it better that they should not go back to Mayaveram, where much ill-feeling has been created on account of this case and the others which have subsequently sprung out of it. The Actg Sub Collector has consented to the exchange specified above.

Certified that I have carefully examined Madarkhan son of Imamkhan Daloyet in the Sub-Collector's office Negapatam. His age is by his own statement 58 years and by appearance 62 years. I consider Madarkhan to be completely and permanently incapacitated for further service in the Department to which he belongs in consequence of old age and incipient Cataract. His incapacity does not appear to me to have been caused by irregular and intemperate habits.

CERTIFICATE AND REPORT OF ACCOUNTANT GENERAL.

N. A. D. / 770

CERTIFIED that (~~subject to the remarks below recorded~~) qualifying service in {inferior ~~superior~~} grades has been duly proved for 13 years 1 months and 9 days; and that an Invalid {~~pension~~ gratuity} not exceeding Rs. 32 ~~per mensem~~ equal to 4 months' pay will be, is admissible under Sections 61 & 76(b) of the Civil Pension Code, 4 Edition. ~~The calculations have been duly verif~~ unless Government are pleased to grant to the applicant a pension for the reasons stated below.

It will be seen from the History of his Service that the applicant was dismissed from Service by the Collector on the 10 June 1866 in consequence of his being implicated with others in a case of theft; and was on appeal reinstated to his post on the 5 January 1867. But the Officer who reinstated him did not at the time record a declaration to the effect that his past service would count. Applicant's Service prior to dismissal does not therefore count for pension under Section 56 of the Code. Should Govt. however with reference to Section 57 be pleased to condone this interruption in the applicant's Service of 6 Months and 15 days, an Invalid pension not exceeding Rs 4 per mensem equal to ½ pay will be admissible under Sections 61 and 76(b) of the Code for his entire qualifying Service of 30 years 11 months and 12 days.

In accordance with rule 3(a) under Section 87 the attention of Government is respectfully solicited to Section 22 of the Code.
