To

Captain A. D. Scott R.E.

Executive Engineer, Madras Water Works

Honored Sir,

I most respectfully beg to state that the Overseer Vathantha Charry intending to confirm his old writer Ragavulu Naidu in my place, is always trying his best to get me into risk in one way or other and also threatened me that, as I am incompetent for the service, he will get me dismissed if I do not resign the appointment myself at once. Under these circumstances I was obliged to give my resignation as I fear to serve under such a man.

I beg &c

Memo.

The Executive Engineer, Madras Water Works informs Venayaga Moorty that the Taluq Overseer reports that he is incompetent to perform his duties in connection with the section under him and therefore if he had not resigned his services must have been dispensed with.

To

Colonel Bean R.E.

Suptg Engineer, 4th Division. Madras

Most Respected Sir,

I most respectfully beg your honor will excuse me for the liberty I have now taken in availing of the opportunity of bringing my poor & miserable circumstances to your honor's kind consideration fully trusting and praying for redress.

After the death of my brother Aroomooga Moody who was a Taluq Overseer's Writer in the Deptt. Captn Rodgers had been pleased to appoint me instead on the 28th Septr/66 and I was discharging my duties under Taluq Overseer Aroomooga Moody very satisfactorily till 14th June 1870, when I was transferred to Red Hills to serve under Vathantha Chatty Taluq Overseer.

Ten or fifteen days previous to my arrival thither Overseer Vathantha Chatty took a man named Ragavulu Naidu into his service promising him that he would provide him with a permanent post on a salary of Rs 20 per mensem. This man had been employed under him as a private writer for 6 months some months back. During the few days I had been there, the Overseer used to get all the works done by his own man Ragavilu Naidu, to whom he also ordered not to give me any instructions whatever. The act of preparing the Station Book, Cash Book &c was confined to them alone. From all these circumstances it is, I believe, inferred that the Overseer is from some unknown Cause quite unwilling and disgusted to have such men as your honor selects, as this method is he thinks injurious to the advantages that may be otherwise reaped. Are the two lascars serving under him now whom your honor had transferred with me? No. Once he threatened me that as I am incompetent for the service, he will, under any circumstances, get me dismissed if I do not resign the post myself. Fearing to serve under such a man, I was obliged to send in my resignation to Captn Scott, who in reply informs me that the Overseer reported him that I am incompetent for the service and therefore if I had not resigned my services must have been dispensed with. Had I been so incompetent how could I be able to manage during the last four years under T. O. Aroomooga Moody Mount Range. The truth of this your honor could easily know by referring to the records performed by me at the Mount Range. A copy of my resignation and of the answer to it is herewith enclosed. I am a poor & helpless man, having a large family consisting of 12 members to support.

112 / 15.5.80 / ENCL. / P.W. ACCOUNTS

Under these circumstances I crave your honor will relieve me & my family from the trouble we are now suffering, by transferring me to my former place. For this act of kindness & charity I shall ever pray to the Almighty for your honor's long life and prosperity.

I beg &c

(Signed) M. Venayaga Moody

I also enclose a copy of the certificate of my character given by Taluq Overseer Aroomooga Moody under whom I was employed in the Mount Range

25th July 1870

14th June 1870, Mount.

The bearer M. Venayaga Moody employed under my order as a Taluq Overseer writer since 29th Septr 66 he succeeded his brother Aroomooga Moody who died on the 28th Septr 66 left a large family on him to support. he has conducted his duties with a greatest satisfaction; he is a very honest & upright man of all who has worked under me as Taluq writer since my service in the D.P.W. from 1st February 1859. I am very sorry to part with such honest writer
