CERTIFIED that I have carefully examined Raya Pillai Sarraf, Paper Currency Depar

son of Rassa Pillai His age is by his own statement 47 years, and by appearance about 52 I consider Raya Pillai to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs in consequence of Elephantiasis of both legs and marked debility

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

CERTIFICATE AND REPORT OF ACCOUNTANT GENERAL.

CERTIFIED that (~~subject to the remarks below recorded~~) qualifying service in {~~inferior~~ / superior} grades has been duly proved for 16 years 11 months and 15 days; and that an Invalid {pension / ~~gratuity~~} not exceeding Rs. 8-5-4 per mensem equal to 1/3 average emoluments is admissible under Section 61 & 68(b) of the Civil Pension Code 4th Edition. The calculations have been duly verified. In the course of verification of the applicant's service from the Audit Registers maintained in this Office, it was found that the amounts particularized in the accompanying Memo were shown as savings to Government. On enquiry the Commissioner of Paper Currency in his letter No. 756 dated the 20th Ultimo herewith transmitted, suggested, for the reasons stated, that these stoppages should be viewed "as fines for unpunctual attendance" rather than deductions on account of absence on leave other than Privilege or Casual. Under these circumstances the total period of qualifying service has been reckoned as 16-11-15 as shown in the application.

In accordance with rule 3 A section 87, the attention of Government is respectfully solicited to Section 22 of the Civil Pension Code. 4th Edition.

Sir,

With reference to your No. $\frac{ADK}{352}$ of the 26th July last, I beg to forward an affidavit from R. Raya Pillai, taken under rule V. Section 84 of the Civil Pension Code, wherein he affirms that the savings detailed in your letter under reply were made in consequence of his absence from Office, owing to sickness.

2. I am unable to explain positively the cause of these savings from any records in this office, the Attendance Book and Acquittance Roll for the years 1866-67 and 1867-68 not being forthcoming; nor am I able for a similar reason to state the length of absence which each saving represents.

3. I have endeavoured to deduce the length of absence in each case from the figures and the salary drawn by the applicant in the months mentioned, but unsuccessfully, as the savings do not in most cases represent the pay of a day or any even multiple of a day.

4. It was customary at the Mint to stop a man's

Before T. Krishna Rao Dy Collr. & Magistrate of Mayavaram —

The Affidavit given on solemn affirmation by R. Raya Pillay late Sarraf Currency Office Madras under Rule 5, Section 84 of the Civil Pension Code (4th Edition) —

I have applied for Pension in June last and have been since residing at Tranquebar in the Mayavaram Division of the Tanjore District — It is true that during 1866/67 and 1867/68 stoppages were made out of my Pay for Eleven months under the orders of E. Tyagaraja Mudelliar the then Accountant & Head Manager of the Currency Office Madras as follows —

		Rs	a	p

For the last Twenty years, I have been subject to Periodical attacks of a bad disease Elephantiasis — I used to be attacked by the disease once or twice a month —

sometimes I used to be free from the disease for 2 or 3 months together — Each attack used to last for number of days varying ~~[illegible]~~ between 3 & 12 days — Whenever of late years I suffered under the attacks of the Disease, I reported the matter to my superiors & have been allowed 1/2 or 3/4ths of my Pay — But the stoppages made during 1866/67 and 1867/68 in question, were made because I then failed to report my sickness under the bodily Pain & trouble caused thereby — The amounts stopped out of my Pay as a loan, were intended to be given & I believe were given to the Volunteers of the office who did my work during my absence Whenever I was attacked, I used to suffer under stagnation of blood collected about the thigh and cold & fever in consequence of which I was confined to bed & unable to move — The usual swelling of my legs used to be on the increase during the attack — As the Court sees, I am now suffering under the attack — I am trembling under the Cold & Fever & my legs are much swollen —
