Proceedings of Government, Pension Department, dated 22nd June 1880, No. 624.

Read also the following papers :—

From Major D. H. TRAIL, R.E., Officiating Examiner of Public Works Accounts, to the Secretary to Government, Pension Department, dated Madras, 24th July 1880, No. 467-P.

I have the honor to acknowledge the receipt of the Proceedings of Government in the Pension Department, No. 624, dated the 22nd June 1880, sanctioning compensation gratuity to certain retired individuals of the 3rd Circle, and with reference to paragraph 2 thereof, to respectfully invite the attention of Government to the orders contained in G.O., Financial Department, No. 675, dated the 1st April 1880, in which it has been decided that the gratuity in lieu of notice admissible under Section 59, Rule 2, of the Civil Pension Code, should be adjusted in the department in which the men concerned were last employed.

2. In accordance with this decision, the officers of the Public Works Department have already been requested to obtain the specific sanction of Government in the Public Works Department for the disbursement of the gratuity in question to such of the members of the department who may be considered entitled to it.

3. Under these circumstances, I have the honor to request the favor of being informed whether claims on account of such gratuities should still be submitted for sanction to Government in the Pension Department, or whether the sanction of Government in the Public Works Department is to be considered as sufficient for the final admission by this office of the claims against this department.

4. Early orders of Government are solicited.

From A. C. TUPP, Esq., Officiating Accountant-General, to the Chief Secretary to Government, dated Ootacamund, 2nd August 1880, No. 809-N.
Treasury Account Department.

With reference to the endorsement on a letter from the Examiner, Public Works Accounts, No. 467-P, dated the 24th July 1880, requesting to be informed whether claims on account of compensation allowance admissible under Rule 2, Section 59, of the Civil Pension Code, should, for the reasons stated, still be submitted for sanction to Government in the Pension Department, or whether their sanction by the Public Works Department is sufficient, I have the honor to remark that the question raised by the Examiner, Public Works Accounts, would seem to be one regarding which this office is scarcely called upon to offer an opinion, but that, if an opinion may be offered, it appears to this office that claims of the kind in question, being based as they are founded on the provisions of the Civil Pension Code, should be finally disposed of by Government in the Pension Department.

From Major D. H. TRAIL, R.E., Officiating Examiner of Public Works Accounts, to the Secretary to Government, Pension Department (through the Accountant-General), dated Madras, 13th August 1880, No. 540-P.

I have the honor to invite your attention to my letter, No. 467-P, dated 24th July 1880, inquiring whether the gratuity admissible under Civil Pension Code, Section 59, Rule 2, should be sanctioned by the Public Works or the Pension Department, and to request the favor of an early reply thereto.
