PENSION DEPARTMENT.

No. 919.

Pension.

FROM

C. G. MASTER, Esq.,
Secretary to the Government of Fort St. George,

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,
DEPARTMENT OF FINANCE AND COMMERCE.

SIR,

I am directed to return the papers received with the endorsement noted in the margin, and to state that the Accountant-General considered that service in the late High and Primary Schools at Madras should be dealt with as non-qualifying under Section 24 of the Civil Pension Code, as the establishments of these schools† were paid out of annual advances drawn by the University Board, who rendered to Government half-yearly accounts-current of charges incurred on account of these schools," which were branches of the Presidency College and Normal School.

2. The first of the officers of these establishments to apply for a retiring allowance under the despatch, dated 20th July 1853, No. 23, from the Honorable Court of Directors, which extended to the Educational Department the benefits of the Pension Rules, was a Mr. McLeish, who, out of a total service of twenty-two years and one month, had served thereon for seventeen years, sixteen months, and two days. No question was raised as to the eligibility of this officer's service, and, with the approval of the Secretary of State,‡ he was admitted to the special privileges as to length of service, &c., accorded to Head Masters of Schools.

3. The question now raised by the Accountant-General was first mooted in 1865 by the then Civil Auditor, but was overruled with reference to Mr. McLeish's case, and this Government saw no reason to make a reference to the Government of India regarding a technical point which had no force when the schools in question were actually in existence.

I have the honor to be,

Sir,

Your most obedient servant,

OOTACAMUND,
