M. Mooswasamy is a very steady, hardworking, and trustworthy man. I have known him for several years and his conduct has always been excellent. I consider him a most useful public servant. He has asked me to mention that this applies specially to the period from July 1871 to December 1872, when I was Executive Engineer at Vizagapatam. From,

The Superintg Engineer

To,

The Examiner
P. Works Accounts
Madras.

Sir, With reference to your letter no 5925.62² dated the 15th December/79. I have the honour to retransmit the pension papers of clerk. C. Ristua Row.

2. There is no record to show that Rista Row's date of appointment to the Department was 23rd February/60; but since that date is entered in the Audit Registers of your Office, it is probably correct. The records show the continuous employment of Ristua Row from 1860; his service from 1 April to 30th June/63 & 1st September to December/72. may therefore be admitted. He was employed as Quassee's Writer in the Patankondah Talook of the Nuriool District from 1st September to 23rd December/72. The applicant's affidavit with statements of the temporary Semoants is sent to support his service for the period from 1st April to 30th June/63.

3. The deduction of Rs 4.6.5. for November/65 does not affect Ristua Row's pay or service; the deduction was for a lunar's pay.

4. The applicant is said to have had no pay for the days from 9 to 12 May/70. for which his full pay of Rs 1-15-4. was stopped on account of his not doing his work.

5. The last pay certificate is sent.

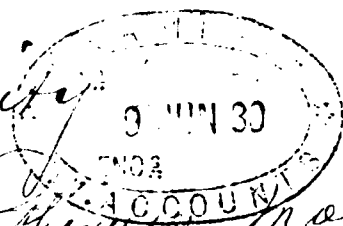

I have the honour to be
