

Sworn Affidavit of Hassan Khan late
Mulki Runner in Gunter Salug.

My first post as Sayer peon was given me
by some gentleman who succeeded Mr. Golding
here, I don't know his name. I don't know
in what year, about 38 years ago. I did this
work for about six years till the post was
abolished, then I was out of employ for six
months, then my father died and I got a post
as Libhundi peon for about 15 years. Then I was
a peon in the collector's office on 5 Rs, for a year
as the office of Gunter Collector was abolished, I
was out of employ for 2 or 3 days, and then I was
made a Salug peon of Bezvada, I was there
for about a year, and then was changed to
Mangalagiri as peon there I was for upwards
of a year. I lost that post for a few days on the
amalgamation of the Salugs, and then I was made
a measurer in the Survey Department for 2
months and 16 days. I remained in that post,
and then I was appointed Revenue peon of
Ponnur, remained there for 7 months - then that
Salug was amalgamated, and I lost my post -
after a few days I was made a road peon under
the D.P.O. in that I remained for one year
that

that work was stopped and then I got made
a peon again in the Survey Department, in
this I remained for a year. for about ten days.

I was without employ - then I was made Mulki
Runner between Chebrole and Guntur in which
I was for nine years - in the year 1868 I acted
as a deloyet in the sub collector's office for
three months.

Shekh Badde Lal Jamadar in the
Guntur Collector's office knows this and knows
the present Duffadar.

Read to the applicant and declared
by him to be correct.

Sworn statement of Shekh Badde pensioned
peon.

I am 70 years of age: I have known Hussan
Khow ever since I was a child - he was first
employed as a sayer peon in Mr Brown's
time: I cannot say how many years ago.
or how long he was in that post, from there
he went to Bezvada as Salug peon - I cannot
say how many years he remained there: from
there

there he was changed to Mangalagiri as peon.
I don't recollect dates or length of time in
the new arrangement he was out of employ:
then he was taken into the Survey Department
as measurer, I don't for how long but until
the party went to Luddapah directly after
this he got the post of post runner between
Guntur and Chebrole until he was reduced
only one peon being allowed.

Duffadar in the sub collector's office at Guntur
I know Hussan Khow an applicant for

Hussan El'hou, he was then employed as a
Sabbandi peon in the collector's office - then
he held for about 14 years: then he lost
that appointment on reorganization -
I then lost sight of him for 2 or 3 years, as
then I know him as a Mulki Sappal runner
between Guntur and Chebrole until two
three years ago, in the time of Mr Dugha
in 1868 he acted as a deloyet for

Vide your application for Pension on behalf of Hussain Khan
Ati Mulhi Postmaster in the Guntoor Subd. -

The undersigned has the honor to enquire -

1. What is the country or House name of the applicant and that of his father. -
2. On what grounds did the Collector consider the applicant's services rendered prior to 14 December 1862 qualifying for Pension, when they appear to have been vitiated by his resignation of the Public Service; a second time in view to his accepting in the Public Works Department an appointment in which he cannot reckon service for Pension.
3. Why it was found impossible to verify the applicant's services up to 1866 from office records instead of from the affidavit furnished by him.
4. Under what circumstances the applicant's service of one year in the Revenue Survey Department between 1862 and 1865 was treated as permanent while the latter quoted opposite to it does not corroborate its permanency. Whether his service from 5th to 30th April 1862 in the Survey Department was permanent? How his service in that Department
