11. The applicant, who was on sick leave at the time of his retirement, tendered his resignation owing to weakness and infirmity on the 1st May 1880, and requested to be pensioned from that date. This resignation was accepted by the Collector on the 4th and on the same date the Civil Surgeon was requested to grant the required Medical Certificate to the applicant if he was found to be physically incapacitated for the efficient discharge of his duties. The applicant appeared before the Civil Surgeon on the 10th May 1880 on which date the Medical Certificate was granted by the Civil Surgeon. Hence the delay of 10 days.

20. The word acting in the History of Service is a mistake. The application is herewith returned with the necessary corrections.

21. The initials letter T before Peruvengadu Mudali in the copy of the Annual Return for 1861 submitted to the Accountant General is a mistake for T, which letter alone appears in the office copy of the Return in question in the records of this office.

It is requested that the necessary alterations may be made in the copy submitted to the Accountant General.

Translation of takeid no 486 dated ³¹ 17th August 1852 issued by the Subcollector of North Arcot to the Tahsildar of Arcot.

Your Atzi dated 10th Instant, no 281 with its enclosures have been received. You therein report the particulars connected with the arrears of Fust 1261 outstanding against the honegars and ryots of Aylum and Kilkuppam of your Taluk and recommend the honegars and the specially appointed peon Appasami, for punishment for their neglect of duty in the matter of collections of arrears.

From the above papers and copies of lists of attachment of properties, it appears that the arrears above referred to stand as follows.

Against Viswanatha Reddi honegar Rs 169.6.6

" Ramalinga Reddi do " 77.9.

" Ramakrishna Reddi do " 41.6.6

" Baloo Reddi " 34.12.

and all other ryots " 474.13.

The balance against moneyar
Viswanatha Reddi represents the full
amount of his putta Berriz while that
against Ramalinga Reddi three-fourths.
Though a month has elapsed since the close
of the last fushi, yet they (balances) have
not been paid and the peon Appasami
employed for the purpose has grossly
neglected to pay attention to the orders
issued in the matter of Collections.

You state that you repeatedly
sent for the moneyars at the Head Quarters
of your Taluk, and, in some cases, you
yourself proceeded to their Villages, and
after personal enquiries, gave them strict
orders for the punctual payment of
their dues, and that failure to attend
to these orders on their part has been
the chief cause of the non-collection
of such a large amount of arrears. In
this I cannot concur with you, for, if
the monthly examination of the Thundal
Accounts and receipts in the possession
of

of the moneyars had been made by ³⁹you,
the collection and balance of arrears
ascertained, and necessary arrange-
ments for the immediate collection
of the balance made, there would have
been no occasion for such a large amount
remaining uncollected. The non-collection
of the Putta Berriz in one case and of
 $\frac{3}{4}$ in the other is a clear proof of your
remissness in the matter of collections
and your conduct in this respect is
therefore highly reprehensible. Appa-
sami the peon, and the moneyars of
Ayalam and Kilkeppam have
been each suspended for two months
for gross neglect of their duties; this
fact should be communicated to
them accordingly and a competent
man nominated for the post of peon
and sent to Hurzoor for muster.

In the list of moveable properties
detained for arrears due by the above
moneyars

Deonegars (Viswanatha Reddi and others) it is noted that the distraint refers to arears due on lands held on joint puttas and those in Deonegar's possession but held by others. But the particulars of arears appertaining to either description of lands are not given nor does any explanation appear to have been taken from the Deonegars as to the cause of Non-payment of their heavy balance (full amount and $\frac{3}{4}$ of putta heriz respectively). Their default of appearance before you as directed is not at all a satisfactory excuse. There was nothing to prevent the distraintee from taking the required statement from them.

Further, the list of attachment does not distinctly show the village-war particulars of the balance. While it merely inhibits the total assessment payable, the amount paid

Estimated Value Rs 934

paid and the balance due by the defaulters. You are therefore now required to obtain the village-war particulars ^W for the balance and to send an amended list of attachment, to this office together with Deonegar's explanation as to the cause of Non-payment of the large balance.

It appears that 10 cois trees were attached on account of arears due by Bahad Reddi. As these trees are immovables they should not have been attached. They should be at once released and moveables seized instead, the required report being submitted to this office with necessary documents.

Rameshkrishna Reddi is reported to have been paid Rupees 20 and there is still a balance against him of Rs 21-6-6 for which and for the arears due by others, a notice allowing eight days within which to pay

into payment. arrears, should be at once
it served on the defaulters and the
names of defaulters not paying
their arrears within the time as
above allowed reported to the
Muzoor in view to the necessary
Orders being issued for the sale of
the distrained properties.
