No. 619. From " " " " 11th Dec. " " 59.

No. 620. ORDER THEREON, 28th December 1876, No. 3,561.

ESTABLISHMENT, No. 39-B.

THESE papers relate to a case of criminal breach of trust by Mr. M. C. Fernandez, Head Accountant of the Mangalore Range, in respect of three sums of money with which he had been entrusted. He was also charged with falsification of his accounts. At the Sessions Court of the district, to which he had appealed from the decision of the Acting Head Assistant Magistrate, Mr. Fernandez was adjudged guilty of misappropriation of one sum of Rupees 500, and of falsification of his accounts, and was punished by fine and imprisonment.

2. Mr. Fernandez is now declared disqualified for further employment in the public service, and will receive no more than the usual subsistence allowance from date of his suspension to that of his first conviction, viz., from 3rd October to 11th December 1876.

3. Mr. Montserratt was the Range Officer under whom these irregularities occurred, and his action in the matter is severely censured. His disregard of rules afforded the temptation to which Mr. Fernandez yielded, and his own transactions with his subordinates [illegible] him to most painful, though unfounded, suspicion. He has already been removed from one district for incompetence; and His Grace the Governor in Council resolves, as a mark of his displeasure, to order the reduction of Mr. Montserratt, from the rank of Assistant Engineer, 1st Grade, to that of Assistant Engineer, 2nd Grade; with effect from the 1st January 1877. Mr. Montserratt will be removed from his range charge and transferred to the Dindigul Sub-division of the Madura District, where his conduct and qualifications will be reported on half-yearly. He will not be again entrusted with independent charge till he shows signs of amendment, and he will be warned that any future misconduct will lead to his immediate removal from the department.

4. Mr. Davidson will replace Mr. Montserratt in the South Canara District.

5. The dismissal of the two lascars, whose evidence in the trial was considered unsatisfactory, is not approved of.
