SUPERINTENDENT REVENUE SURVEY 1880 28 . 8

To,

The Most Noble Richard Plantagenet
Campbell, Duke of Buckingham and
Chandos, G.C.S.I. C.I.E.
Governor of Madras.

The humble petition of M. Theruvangadam
Naicke late Map Record keeper of the Revenue
Survey Office.

Most Respectfully Sheweth;

That your Grace's Petitioner impressed with the deepest sense of respect and veneration for your Grace's exalted position most humbly begs to state that your Grace's Petitioner was employed as Map Record Keeper in the Revenue Survey Office since 1st December 1862. In September last your Grace's Petitioner was informed that his services would be dispensed with; thereupon your Grace's Petitioner made an application to A. Maltby Esqre, the Assistant Superintendent, to retain him in the service till he was entitled for the minimum pension which was accordingly granted. In December last that your Grace's Petitioner was told that his services would be dispensed with on 31st December last, on reduction of Establishment. Petitioner again made an application to Merriman Esqre the present Assistant Superintendent to keep him in the service till 31st March current being the date fixed by the Clerk in charge of service Book preparation and verification of services, on which your Grace's Petitioner completes his service for pension. This request was accordingly granted, so on 31st March your Grace's Petitioner's services were dispensed with, then his service amounted to 17 years and 4 months of which he lost 2 years, having been on a salary of Rupees 10 and he became fairly entitled to the minimum

pension

pension on his present pay of Rs 10-8-0. Soon after your Graces Petitioner to his regret was informed that out of 15 years 4 months qualifying service for pension 1-4 appear to be of a temporary nature and was represented as such by mistake by the subordinates of the Department and recommended your Grace's Petitioner's case for a gratuity, your Grace's Petitioner respectfully begs to assure your Grace that his case was erroneously represented for since his entertainment he was borne on the permanent establishment sanctioned by the Government of India in March 1858. The words "Temporary" and "Acting" had no meaning in the Revenue Survey Department which is of quasi-permanent nature. The words were prefixed and removed at will. If the Officer in charge of the Office had only asked the date of the Government order sanctioning the temporary establishment in which your Graces Petitioner was alleged to have been borne for 1-4 y. m. there would have been no occasion to this representation. In addition to the above your Graces Petitioner begs to state that he was in that period returned in the Permanent Annual Establishment was not excluded from the Annual list submitted in April of every year, a fact that must occur if he was really employed in a temporary Establishment. A reference to the Accountant General will bear the above statement.

Under these circumstances your Graces Petitioner most humbly solicit your Grace will be graciously pleased to issue orders to grant him the minimum pension to which he is justly entitled to, after ascertaining the truth of his Statement and thereby help your Graces poor Petitioner in keeping himself and his large family to a certain extent above the reach of hunger and distress for which act of justice and benevolence your Grace's Petitioner shall as in duty bound, ever pray.

Thiruvengadam Nayak, regarding his Service from 1st February 1865 to 1st August 1866, being reckoned as temporary, I have the honor to state that the petitioner was invariably designated "a Temporary Assistant Map Record Keeper" in the Pay abstracts and in the Annual returns of the Revenue Survey Establishment Central Office on record in this Office, as stated by the Superintend. confirmed in the Appointment in which he was, at the beginning, temporarily employed, and the Superintendent does not explicitly state that the Applicant was engaged on the understanding that his Appointment was only temporary and that he was liable to be discharged after a short period of service; but his letter implies that this was the Case. In these circumstances his service prior to 1st August 1866, cannot reckon for Pension under Section 32 (a) of the Civil Pension Code.—
